Arlington Heights, Illinois

PRICE \$2.50 A YEAR

ARLINGTON P. T. A. FETES TEACHERS

To Aid Dental Clinic,
Relief; District
Meet Oct. 11

A reception in honor of the teachers of the public schools in Arlington Heights was held by the Parent-Teacher association Tuesday night at the South School; and the good time had by the good turnout of people speaks well for an enthusiastic year's work. Included in the receiving line were the officers of the P. T. A., Mrs. O. G. Barrett, president; Mr. Humphrey Ashton, vice president; Mr. Cecil McWharter, treasurer; Mr. Archie Fessler, historian; Miss Bernice Hauley, secretary, is no longer teaching in the schools, and was not present. Miss Margaret Oberreuter, fifth grade teacher in the North school, was elected secretary during the business meeting. Mrs. Homer Evans had acted as secretary pro tem in the preliminary work this month, and in the meeting. Mr. B. A. Noyes, president of the board of education, Mr. E. D. Whitmore, superintendent of schools, and Miss Irene Russell, principal of the south school, were among those shaking hands with the line of folk attending the reception.

Coming Meet Oct. 14
In the business meeting that followed, Mrs. Evans announced the coming annual conference of the 21st District of the Illinois Congress of Parents and Teachers, to be held Friday, Oct. 14, at Ingleside High School, Ingleside, Ill. Round table discussions on department of P. T. A. work will be held in the morning; and in the afternoon, two addresses, "Responsibility of the Home During the Present Crisis," by Mrs. Holland Flagler, state president of the P. T. A., and "Responsibility of the School During the Present Crisis," by F. L. Bacon, principal of Evanston High School. To drive to Ingleside, one may drive north on Rand road (Route 60), to York, then north on Route 59 to Ingleside. It is desired that as many members as possible attend this conference for the information and enthusiasm they will receive.

Mr. McWharter, treasurer, raised a laugh when he reported a good balance in the treasury—on deposit in a closed bank!

Room Prizes
Mrs. Lydia Lorenzen, speaking for Mrs. Atkins, membership chairman, announced that the room prizes for highest parent attendance at the P. T. A. would be gold fish in bowls. In the roll call which ensued, Miss Bearse's kindergarten room in the South school, and Miss Oberreuter's fifth grade school, won these awards for the first month. The short-posters as used in each room last year to indicate parent membership in the P. T. A. will be used again.

A program arranged by the executive committee was given. First a little community singing led by Miss Fern Lorenzen at the piano. Mr. Noyes, for the board of education, gave a brief address of welcome, and appreciation of the help the P. T. A. had given the school board and the teachers, and to the teachers themselves for faithfully sticking to their jobs during these trying times. Mrs. Lillian Draper Klehm gave three musical readings accompanied on the piano by Mrs. George M. Kost, "The Patchwork Quilt," "Grandma," and "Movies."

Dental Clinic
The main talk was by the community nurse, Miss Martha Jackson, on the dental clinic to be opened next week in the Village hall. The dental dentists are concentrating by giving their services, she said; each one will give a half day every fifth week. About 15 children can be accommodated each week, and the clinic will be connected with the various school health projects. No patients will be accepted at the clinic unless the regular dentist of the family, if any, approves. No extractions, gold or porcelain work will be done. Miss Jackson appealed to the P. T. A. to furnish at least one attendant to handle the children and take care of the records of the clinic. The P. T. A. voted that the board appoint a representative to help Miss Jackson in this work. The full cooperation of the public is necessary if the clinic is to be a success, Miss Jackson stressed. The plumbing was not entirely paid for, she mentioned.

Mrs. Milton Daniels then favored the audience with two vocal solos, "Can't Remember," and "Coming Home," accompanied by Mrs. Leslie Moodie.

Mr. O. G. Barrett, of the Relief committee, asked that a delegate from the Parent-Teacher association be appointed to the Relief committee; the association voted that the executive committee be instructed to make such an appointment.

Mrs. George Schneberger of the Hospitality committee announced the refreshments and general social time to follow. Mrs. Evans put forth the suggestion that on P. T. A. nights the teachers living out of town be entertained at supper by some of the parents.

After adjournment, the crowd enjoyed themselves visiting and discussing various things informally, being served with fruit punch and wafers.

Attending the meeting was Mrs.

Must Register or Lose Vote; Day is Saturday

Each person otherwise eligible to vote in Cook County must register afresh, or be excluded from the national and state election Nov. 8.

Registration Day is Saturday, Oct. 1, from 6 a. m. to 9 p. m. Each must register in his own precinct polling place.

In Wheeling township, these are located as follows:

Precinct 1—Wheeling Village Hall.

Precinct 2—Zander Motor Sales, 115 N. State road, Arlington Heights.

Precinct 3—Chicago & North Western depot, Arlington Heights.

Precinct 4—Village Hall, Arlington Heights.

Precinct 5—Chas. Homeyer's greenhouse, Elmhurst road.

There will be no voting in this year. No matter if one has always voted before at the same polling place, it makes no difference. Register anyway, or you can't vote.

A second and last registration day will be held Oct. 11, at the same polling places, but it is safer to register the first day and be sure about it.

Those who are sick in bed or who cannot be present personally to register, may secure affidavit forms from the county clerk, which can be filled out and sworn to and returned to him. This will serve as registration if returned in time. Not only are there national, state and county offices to be voted on, but there is the Gateway Amendment to the Illinois constitution.

The proposition of a \$20,000,000 bond issue to be paid out of the counties' share of the gas tax, and thus avoid practically doubling the State tax on property. This is for relief work done this year, about 94 per cent of which was in Chicago.

PLAN CIVIC WASHINGTON CELEBRATION

Arlington Heights Committee Outlines Program for Nov. 4

To plan a civic celebration in Arlington Heights of the George Washington Bicentennial, a committee appointed by Mayor J. D. Plentice Wednesday night last week, and again Monday night, this week in the Farm Bureau office.

This committee consists of Principal V. I. Brown of the high school as chairman; Mrs. Eugene Heller, Mrs. O. G. Barrett, Mrs. Charles Lorenzen, Commander George Davidson of the American Legion, Mr. Elmer Crane, and Mr. William F. Meyer, Jr. The committee favors Mr. Nelson F. Hauff and Mr. William C. Bockmeyer to meet with them. They met to arrange some suitable program.

While various schools, clubs and churches in Arlington Heights have already held George Washington programs since the opening of the national Bicentennial celebration which started Feb. 22, the Bicentennial commission is urging general programs of a civic nature, inviting all citizens, and to be held some time before Thanksgiving Day.

It was decided to try to hold a celebration on the evening of Friday, Nov. 4, possibly at the High School auditorium. The program will include the song "America" as an opening number. Merle Guild post of the American Legion will present the colors. Mayor Plentice will make a few remarks relative to the purpose and nature of the program. There will be two or three musical numbers and a speech by some representative of the Speakers' Bureau of the American Legion; just who has not been determined, but Commander Davidson assured the committee that it will be one of the big ones.

As a special feature, the American Legion post will be presented by a stand of colors by County Commissioner H. J. Byrd. There may be one or more short plays, to be selected by Mrs. Barrett and Mrs. Heller.

Northwest Conference May Have Representative on State Board

The Northwest High School Conference may be represented on the Board of Control and Legislative Committee of the State High School Athletic association. Cards mailed out to the various principals in this district last Monday carried the names of Principals H. E. Underbrink of Libertyville and V. I. Brown of Arlington Heights. Others that have been named are Principals W. L. Goble of Elgin, Fred L. Biester of Glen Ellyn and H. C. Storm of Batavia. Election to these positions is by sealed ballots of the principals who are members of the state association.

Bertha Kruse, new president of Wheeling P. T. A., and Miss Bertha Keith, principal of Wheeling school, accompanying Miss Elizabeth Bray of Arlington Heights, who teaches at Wheeling.

LARGE CROWD AT DEMOCRATIC CELEBRATION

Homer J. Byrd Day
Proves Big Success;
Candidates Speak

The voters of the Northwest towns, Republicans as well as Democrats, flocked their way to Northwestern Park at Des Plaines last Saturday in honor of Homer J. Byrd Day. It was a great big picnic with the Wheeling Township Democratic organization playing host to between 5,000 and 6,000 people. The children were not forgotten as there were 45 gallons of ice cream used in free ice cream cones; as well as free pop and free rides on the merry-go-round and the Ferris wheel. There were games and races throughout the afternoon and by seven o'clock when the \$200 in gold was given away the grounds were packed.

The event gave the voters the opportunity to hear a number of the Democratic candidates for the more important offices. Howard Robert, state commander of D. A. V., spoke in behalf of Thomas J. Courtney, who is candidate for states attorney. Mr. Courtney, himself was also present and gave a stirring talk. Other speakers were John Conroy, candidate for circuit clerk; Erwin Hasten, candidate for Judge; James Fineren, candidates for representative; Emmet McGrath, state representative.

It could not be a Byrd Day without an address from Homer J. himself. He had just been presented by Commander Geo. Davidson with a gift from Merle Guild Post American Legion as a mark of esteem for the services Mr. Byrd has given to his community and the county as a member of the county board. Replying, Mr. Byrd stated that he had tried his best to do things for his constituency the past two years and from present indications and with Democratic success in November he thought that he could do still more for them the coming two years. Heartily applause greeted Mr. Byrd.

Other local chieftains of the Democratic party present and who also spoke were Ning Ely, of Des Plaines, who acted as honorary chairman of the day; H. M. McCullum, of Glenview; Mrs. Vyzral, of Blue Island; Mr. McNeary, of Franklin Park; Michael Weber of Niles; John Lewis of Riverside, and H. J. Harz, of Palatine.

The recipients of the many prizes given that day were so numerous that all of the names could not be secured, but there was many a family made happy by the prize money, which was very opportune at this time.

It was near midnight when lights were finally turned off and it was voted the greatest Democratic gathering ever held in Northwestern Cook Co. The following day buns and rolls left from the refreshment stand were given for relief.

Arlington Heights Veteran Receives Order of The Purple Heart

Thomas Pope, of Arlington Heights, a veteran of the world war, was the recipient this week of the Order of The Purple Heart, probably the first veteran in this community to receive the Order, which was originally established by George Washington and which was revived by act of the War Department last February. All persons who received wounds in overseas service are entitled to the award, which is a beautiful medal, of which any veteran can be proud.

The inscription is as follows: "The order of the Purple Heart. This order and honor badge established by George Washington in 1782 for award to soldiers of the Revolutionary War has been revived under General Order No. 3 of the War Department, Feb. 22, 1932, to persons who are members of the army of the United States, have been awarded meritorious certificates by the Commander in Chief of American Expeditionary forces in the World War and who have made application to exchange their certificate for the Purple Heart."

"Gay Nineties" in Song
And Costume at M. E.
Hall Friday Night

Come spend an evening in the atmosphere of the Gay Nineties. The Fidelis Circle of the M. E. church will give a program of old songs and costumes next Friday evening, Sept. 30, at 8 p. m. The admission compares with the Nineties at only 10 cents for adults, and children five cents. A cake walk will be held at the close of the program, and many lovely cakes will be sold at five cents a cake walk.

Arlington High School Enrollment Is 371

Enrollment at the Arlington Heights High School Tuesday this week was as follows: 61 seniors, 79 juniors, 99 sophomores, 138 freshmen; total 371. The highest percentage of drops has been in the sophomore class (freshmen last year). Only two have dropped from the seniors.

Lawrence Lips Dies Suddenly On Vacation Trip

Lawrence Lips, young man of Arlington Heights, residing at 101 East Hawthorne street, and known for his work in the Community Players, passed away Monday night at 10 o'clock at St. Vincent hospital, Green Bay, Wis., of kidney trouble, from which he had suffered for some time. He had gone to Wisconsin with his uncle, Alex Lips, on a fishing trip; and after being gone about a day was taken sick. They stopped at Green Bay on the way back to Arlington Heights, and died at the Lutheran and Ochler chapel in Arlington Heights.

The funeral service will be held today, (Friday) at 2 o'clock at the home, and 2:30 at the First Presbyterian church, Rev. H. A. Kossek, pastor, to officiate.

Mr. Lips was born March 16, 1908, in Chicago. He is survived by his father, George Lips, one brother, one sister, three uncles in Arlington Heights, with two of whom, Fred and Alex, he made his home; the other uncle being Mr. Charles Lips. He was employed by the Muller beverage works in Arlington Heights.

Northwest Towns Well Represented At Swanson Dinner

The northwest towns, comprising the territory represented in the county board by William Busse, was more than well represented at the Swanson testimonial dinner in the Grand Ball Room of the Palmer House last Thursday evening. Thirteen tables seating ten each were needed to accommodate those of this district. They were accorded a place of honor in the seating arrangement and were only a short distance from the speakers' table. The crowd was so large that over 300 tables were placed in adjoining rooms.

It was one of the biggest dinners of its kind ever held in Chicago, and was attended by the rank and file of the Republican party as well as the chieftains. Enthusiasm for Republican victory was evident on all sides. The principal speakers were Secretary of War Hurley, U. S. Senator Glenn, Len Small, candidate for Governor, and States Attorney John A. Swanson.

Open Headquarters in Arlington Heights
The Redeker quarters in the Vail Davis building have been leased by the local Republican organization and an active campaign will be made to secure a large registration of votes as those who do not register will not be able to vote at the November election.

Mrs. Louise Broeske Celebrates Ninetieth Birthday Anniversary

Sunday, Sept. 25, Mrs. Louise Broeske celebrated the 90th anniversary of her birth. It was made the occasion for a happy surprise by her daughters, Mrs. Henry Rodewald and Mrs. August Greinke, also Mr. and Mrs. Wm. Muller and Mr. and Mrs. Art Gieske. All with their families joined in hearty good wishes for many happy returns of the day.

The birthday cake was brought by Mrs. Henry Rodewald; baked by Miss Ester Stier. Mrs. Wm. Muller and Mrs. August Greinke each brought cake. Miss Edna Greinke, her granddaughter, prepared the birthday supper, a delicious, generous spread. Later after a happy evening the guests all joined in wishing this venerable lady many more birthdays, each happier and freer from care than those she has passed.

On life's far way of ninety years, Trusting in God, in faith to go—She has found joy; she has found tears. Yet sunrise past brings sunset's glow; Be the end near, or long delayed, Trusting she goes, all unafraid.

Goodby Party Held At Home of Mr. and Mrs. Walt. Boireau

Mr. and Mrs. Walter Boireau were heartily surprised Thursday evening last week, when a group of their friends, without formal notice or benefit of clergy, came to their home to utter protest at their leaving the "City of Good Neighbors." Though emotions of sadness were difficult to suppress, a real old fashioned genial good time was spent with these sincere friends.

The group realizing "unpreparedness" must be the condition of their hosts' last evening, sadness and joy at their delightful informal visit, they came with hampers of "bite and sup" material. Games and social converse made the evening pass quickly. The guests were Mr. and Mrs. M. H. Browne, Mr. and Mrs. G. R. Wolf, Mr. and Mrs. E. B. Dearie, Mr. and Mrs. C. M. Foreman, Mr. and Mrs. C. H. Michael.

SKATING PARTY

A skating party and hockey game between Natoma Park and Bob's Red Devils will be held at Shayne's Ball room, Higgins and State roads Tuesday night, Oct. 4, 8:30 p. m. Admission, 35c.

NEXT STATE AUDITOR MUST KNOW HIS JOB

Four Hundred Banks To
Be Liquidated; Must
Protect Depositors

The people of Illinois cannot afford to overlook the importance of electing a competent Auditor of Public Accounts at the coming election, Harry G. Wright of DeKalb, Republican candidate for the office, told a large meeting of voters at Monmouth Sept. 29. No other office to be voted upon will have a more direct bearing upon the financial welfare of the people, he added. "The next Auditor of Public Accounts will not only be charged with the revision of the banking laws for the greater protection of both depositors and stockholders, but will also be charged with the task of extracting every possible penny out of the assets of the nearly 400 closed state banks for the benefit of the two million depositors who have \$175,000,000 of their money tied up in these institutions," said Mr. Wright.

"The people also have the right to know who will actually run the Auditor's office if either myself or my opponent is elected. I can pledge you my word right here and now that if I am elected I will run the office and will accept full responsibility. Can my opponent make this same pledge in view of the fact that he seems to be proud of having turned the management of the state treasurer's office over to others? I argue that he is young, inexperienced and unfitted when he became state treasurer. I would like to have him give at least one reason why he thinks he is any more competent to run the office of State Auditor than he was to run the State Treasurer."

"I have made a careful study of the duties of the auditor, just as I have given most of my time and attention for the last fifteen years to the practical study of the financial and economic problems of the state. My platform embodies the views which I hold on the best way to protect the future interest of the depositors and stockholders in open banks."

"The problem of taking care of the two millions of unfortunate, thrifty people who have their funds tied up in closed banks is a separate problem requiring separate treatment. I have studied this question at first hand."

"When the wave of bank failures swept through my neighborhood, leaving financial disaster in its wake, the depositors of four closed banks had me put in charge of the liquidation. I accepted the task at a nominal salary of \$50 a month for each bank. Today I can tell you, without fear of contradiction, that I handled the receivership of these four banks at a record low cost and paid out dividends to the depositors as quickly as it could be done legally. After putting the affairs of the four banks in good order I resigned."

"There are today about \$250,000,000 in assets in the closed state banks in Illinois. These assets are in about 140 institutions scattered all over the state. To safeguard these assets and to see that they are liquidated without any unnecessary loss to the depositors is a gigantic task. If these assets are frittered away or slipped around to some favored interest at a ruinous price there will be little or nothing left for the depositors."

"A large part of these assets belong to elderly persons. Other millions were deposited in savings accounts to insure the future education of children, still too young to realize that they were affected by the closing of the banks."

"I regard the safeguarding of these funds as nothing short of a sacred obligation. I realize the tremendous responsibility involved and I am willing to accept it because I believe that every right-thinking American citizen at some time in his life wants to accomplish some outstanding public act that will live in the memory of his fellowmen after he is gone."

Porvich-Curtis Wedding Sept. 24

Miss Anna Porvich, daughter of Mr. and Mrs. John Porvich, and William, son of Mr. and Mrs. Emil Curtis of Elk Grove, were married Saturday, Sept. 24, at 7:30 evening by the Rev. H. C. Fricke at the parsonage.

The bride and groom were attended by the bride's sister, Miss Mildred Porvich, and Russell Davis. Following the solemn marriage rites and congratulations, the bridal party went to the Curtis home in Elk Grove, where a happy reception was held. There were sixty or more guests gathered to wish the newly wedded pair all possible good things in life. A beautiful wedding supper was served by Mrs. Otto Herman and Mrs. M. Sarr. The more mention of these names makes you know it was a royal feast such as poor Kings and Queens do not share.

The marriage was planned to be a quiet affair, but the hosts of friends of these young people were minded to have a share in the marriage of two so popular among their friends, who showered them with hearty good wishes in which we join.

REPUBLICANS TO HOLD BIG GATHERING

Ex-Sen. Lorimer to Speak
Thursday Night, Ar-
lington Ballroom

A big Republican mass meeting under the auspices of the Northwest Towns Republican club, is to be held beginning 7:30 o'clock Thursday evening, Oct. 6, at the Arlington Ballroom and Picnic Grove at Higgins and Arlington Heights roads. In case of rain, the program will be held the following Saturday evening.

Among the speakers will be Ex-Senator William Lorimer, Joseph C. Ross, Republican candidate for coroner, and John T. Dempsey, candidate for clerk of the Appellate court.

Old-fashioned dancing will be held after the speakers' program, with music by the Old-Fashioned Dixie Hayshakers.

Mr. Henry Edward of Mount Prospect, and secretary of the Fifth District Republican club, is in charge of the event.

The Republican club meets every Saturday evening in the old bank building in Mount Prospect, excepting Saturday this week, which is Registration Day.

MT. PROSPECT P. T. A. WILL MEET TONIGHT

Many new members are expected at the first meeting of the school year, of Mount Prospect P. T. A. Thursday evening, Sept. 29.

Refreshments and a social hour will follow the speakers' program. Music will be supplied by the new pupils of the first grade under Miss Knieple's direction.

The membership committee under direction of Mrs. B. C. Keers, is at work and will get you if you don't catch on. All mothers and fathers, teachers, educators, public officials and anyone interested in the welfare of children may join the P. T. A.

George Olcese on Tour With Reforestation Officials of 3 States

The work of reforestation is being recognized through the country as of increasing importance. This week state and park officials of New York, Ohio, Indiana and Illinois are making a tour thru the three latter states inspecting the reforestation work that is being attempted. Geo. Olcese, of Arlington Heights and district superintendent of the forest preserves in this part of Cook county, is with the party. The tour will end with an inspection of the Cook county preserves.

Dumping Allowed Only by Permit and Saturday Afternoons

No more trespassing on the village dumping grounds at the east side of the Village is to be permitted, according to Mr. William Leubring, street commissioner. If anyone wishes to dump rubbish there he must get a permit, and may dump only Saturday afternoons from 1 to 5 o'clock.

Trespassers have removed window frames and windows from the old treatment plant out there, and it has been necessary to replace them.

Charles Marbach Wins Tribune Award For Year-Old Garden

Mr. Charles H. Marbach, 217 South Willie street, Mount Prospect, has just received an engraved certificate from the Chicago Tribune, as one of 29 gardeners on the Tribune Honor Roll, as written up in last Sunday's issue. The garden is but one year old. "Bird Haven" is the name given to it by the Marbachs, and it surely is a delight to the eye. The garden is located in the rear of the home, with a large grass plot and beautiful, varied and interesting borders.

Mr. Marbach also received sixteen ribbons from 25 varieties entered Sept. 10 in the Men's Garden Show in Garfield Park.

Free Wood To Be Scarce

The heavy demand for free wood last winter nearly exhausted the supply and the available fuel from the forest preserve will probably be reserved for families with children.

LIONS TO MEET

The Arlington Heights Lions club will meet at 6:30 next Tuesday evening, Oct. 4, at the Lutheran school.

N-W CONFERENCE FOOTBALL NOTES (Sport Stories on Page Eight)

NORTHWEST CONFERENCE STANDINGS

	W.	L.	Pct.
Antioch	1	0	1000
Arlington	1	0	1000
Barrington	1	0	1000
Libertyville	0	0	000
Leyden	0	0	000
Warren	1	1	500
Bensenville	0	1	000
Palatine	0	2	000

GAMES THIS WEEK

Fri., Sept. 30—Leyden at Barrington.

Sat., Oct. 1—Antioch at Arlington.

Antioch, Arlington's First Gridiron Foe; Kickoff 2:30 Sat'day

Football as it is to be played by the 1932 team at Arlington Heights High School will be introduced to the fans Saturday, Oct. 1, Antioch, always the nemesis of teams in the Northwest Conference, is the scheduled foe and as usual have a fast hard fighting team.

Coach Reed, of Antioch, personally expressed his opinion that his boys would be hard to beat, and conveyed the impression that he didn't think they would be beaten Saturday. In their first game with Bensenville Saturday last, which they won 6-0, the Indians had one of the fighting teams in history at their school. It was this outland determination which won them their game by a score in the last few moments.

In Kuhlman and Riley, veteran backs, and two newcomers, Antioch has one of the blitziest quartet of ball carriers in the conference. To say that Arlington fears them would be putting it mildly. While Antioch's line is hardly as big as in former years, they are hefty enough to take good care of themselves as they demonstrated against Bensenville's rangy forwards last Saturday.

Arlington's lineup is still problematical as the scant two weeks practice has not determined the best lineup as yet. Apparently they are not going to suffer from lack of substitutes this year as there seems to be a battle on for most of the positions.

The game as stated before is to be on Arlington's field and will begin at 2:30 sharp. All gate admissions are to be 25c.

OLD FOLK'S HOME SCENE OF EXPLOSION

No One Hurt; Big Boiler Wrecked as Oil Burn- er Blows Up

An explosion of an oil burner about 9:30 Wednesday morning wrecked the new \$2,500 boiler in the Evangelical Lutheran Old Folks' home in Arlington Heights. The boiler, which was fifty feet out into the yard, bricks and cast iron across the corridor into the laundry, and soot all through the building. Fortunately no person was hurt. The building was damaged by breaking of plaster, of windows and by soot, and escape of oil and water.

The boiler has been in use about two years, supplementing an older one; the idea being that in case something went wrong with one of them, the other could be used. It is a low pressure steam heating system, but it was in the oil burner or fire pot that the trouble originated. The old boiler is all right, but as it was connected by pipes with the new, the pipe system will have to be adjusted before it can be used.

Community Chorus Gains in Numbers And in Practice

The Community Chorus, which meets Monday nights in the Arlington Heights High School made good progress this week on "The Messiah." Monday were ten basses and six tenors. More are enrolled, and there is plenty of room for more of all voices. Under the able direction of Mr. Theodore Milzter, the instruction and practice received is of extraordinary value to anyone. All that is required is a love for music and willingness to work. Dues are but ten cents a night. New members are welcomed from anywhere.

Bargains in Cotton Mark Coming Sale At Hagenbring's

The lowest prices in twenty years, is the term that H. L. Hagenbring used to describe the Coupon Sale that opens this Thursday at his 5c to \$1.00 Store in Arlington Heights. The goods offered at such low prices were personally selected by Mr. Hagenbring upon his trip to Alabama last month. They come from five states, were chosen for the bargains they represented and in a great many cases are to be sold much less than the cost of manufacture. There is no jobbers' profit included and this Coupon Sale, which is to be found on page 5 of this issue, represents the greatest bargains that the Hagenbring store has ever offered. 7

OPEN DENTAL CLINIC IN ARLINGTON

Club Provides Equipment;
Many Help Fit Up
Place

Upon the dedication of the new Dental Clinic equipment at the Health Center in the Arlington Heights village hall Tuesday afternoon, a tea was given by the Ever Ready club, donors of the equipment, and was attended by a stream of visitors representing the P. T. A., teachers and parents, the Relief committee, churches, and Village board from 3 to 5. Coffee and cake, etc., were served to all guests by the club members. Bouquets of flowers decked the room. Miss Martha Jackson, community nurse, assisted in receiving the guests.

On a large platform built to house the hydraulic base, is mounted a dental chair complete with running water. Other equipment includes a cabinet, sterilizer, electric drill, and tray and electric light.

Other donors and helpers included the following: Heller Lumber Co., also Tibbits Cameron, lumber for the platform; a friend, \$5, and Stumacher brothers, the balance, on the line; sink, and half the material for plumbing, the Village; superintending the plumbing, and some material, Malzahn & Goedke; Landmeier Hardware store, enamel; some good citizens otherwise out of work, labor on installations; flowers for the dedication, George Kiehn.

Mr. Kehe of Kehe Motor Service donated his services in bringing the equipment out from Chicago. The Evereadies are also undertaking to finance the first lot of dental operating supplies to the extent of \$27.00. While Miss Martha Jackson whose dream is now realized, and Mr. C. Bockmeyer, chairman of the Public Health committee, who enthusiastically scouted around for materials, preferred not to be given any credit for their work, it nevertheless was important. The Village is to furnish water and electricity for the clinic.

The clinic will start to fill appointments in about a week, and will be under the supervision of Miss Jackson and cooperating dentists. A very small charge will be made for appointments to those who are able to pay to help provide materials. It is hoped later to purchase tools so that the dentists who give their labor, need not use up their own tools.

State Chairman to Address Mt. Prospect Woman's Club

The next meeting of the Mount Prospect Woman's club will be held on Tuesday, October 4, at 2 p. m. Mrs. Charles Pankonin, Park Ridge School for Girls chairman, has charge of this meeting and announces that the main speaker will be Mrs. Letrice Beeve, State chairman of the Federation of Women's clubs for the Park Ridge School for Girls. This promises to be very interesting.

The board met Tuesday afternoon at the home of the Social chairman, Mrs. W. W. Weiss, and it is with much regret that we learn of the departure of Mrs. Merle Jones for the east. She has been a faithful worker in the club, and served as treasurer for a number of years.

Mt. Prospect Department

Mr. and Mrs. Wm. Mulso and Mr. and Mrs. Wm. Metz motored to Benton Harbor, Mich., Sunday.

Mrs. Paul Holste was also a lucky winner Saturday at the H. J. Byrd Day, winning a five dollar gold piece.

Mr. and Mrs. Judson Lee, spent Sunday in Irving Park, visiting friends. While there they attended church.

Mr. and Mrs. S. A. Noe visited Mr. and Mrs. Martin Wilke of Arlington Heights, Saturday evening.

The Young Peoples society of the St. Paul church met Monday evening, Sept. 26, for the first meeting of the season, which was well attended and election of officers took place, the following being elected: President, Henry Hasz; treasurer, Earl Pahnke and secretary, Emma Seidel.

Miss Agnes Lee, sister of Mrs. G. A. Jordan, left Tuesday evening for Orange, New Jersey, where she will take up her position as an X-ray technician.

Mt. Prospect community are glad to welcome the Sarrell family who have moved into the home on 317 W. Pella avenue, recently.

Mrs. G. A. Jordan is entertaining this week as her house guest, Miss Florence Brumbach, dean of Women's College, DePaul, Colo.

Congratulations are being extended to Mr. and Mrs. Alvine Beigel on the arrival of a baby boy, born at the Mt. Prospect General hospital.

The H. W. Flynn family were lucky winners at the Homer J. Byrd Day celebration, held at Northwestern Park, Des Plaines, Saturday. Miss Florence won a five dollar gold piece and Mr. Flynn a two and a half dollar gold piece.

Parent-Teacher association meeting Thursday evening, Sept. 29, at the public school.

The next meeting of the Woman's Circle of the Community church will be held on Wednesday evening, October 5, at the home of Mrs. R. P. Smey, 108 S. Albert street, with Mrs. T. Thorsen as assisting hostess.

Mr. and Mrs. C. Pankonin, Mrs. T. Thorsen, and Mrs. F. Schumacher attended Advanced Officers' Night at Leyden O. E. S. on Friday evening. Mrs. Pankonin served as secretary.

Mr. and Mrs. C. Hansen of Evanston have moved into the E. M. Lucknede house on I-oka ave.

Mt. Prospect was well represented at the Democratic picnic held Saturday at Northwestern Park, Des Plaines. Mrs. Emma Holste, Miss Florence Flinn and Mr. H. W. Flinn were lucky winners of cash prizes.

Mrs. I. Tesch, Mrs. N. Carlson and Mrs. C. Meredith of Arlington Heights, and Mrs. T. Thorsen, Mrs. J. Walsh, Mrs. G. Andresen, Mrs. F. Schumacher, Mrs. P. Frey, and Mrs. E. Luckner, were callers at the home of Mrs. C. Pankonin on Friday afternoon.

Mr. and Mrs. Alvin Beigel announce the birth of a son, born Saturday, September 24. Congratulations.

Mrs. P. H. Frey, Mrs. E. M. Luckner, and Miss Myrtle Frey attended Palatine chapter O. E. S. Friday evening. Miss Frey acted as Warder.

Mrs. C. Pankonin attended the Des Plaines O. E. S. chapter on Monday afternoon, the occasion being the official visit of the Grand Worthy Matron.

Mr. and Mrs. H. Flinn entertained guests from Chicago on Sunday.

Mrs. T. Thorsen has as her guests this week the Misses Amy and Nora Amundson of Minneapolis.

Mrs. E. Luckner, Mrs. T. Thorsen, Mrs. F. Schumacher, and Miss Myrtle Frey accompanied Mr. and Mrs. C. Pankonin to Wheeling Chapter O. E. S. on Tuesday.

Mrs. C. Pankonin served as worthy matron at Arlington Heights Chapter O. E. S. on Thursday evening, Sept. 22, 1932. It was her Advanced Officers Night and many of her friends from Mt. Prospect attended. Among these were Mrs. C. Edwards, Mrs. H. Tuttle, Mrs. F. Schumacher, Mrs. J. Walsh, Miss Alma Pank, Mrs. P. Frey and Mrs. E. Luckner. Mr. G. Andresen served as her soloist and Miss Margaret Knitter as Honorary Sentinel.

Mrs. Merle Jones and children are leaving Friday to join her husband in Springfield, Massachusetts.

Another one of the series of luncheons sponsored by the Woman's Circle of the Community church was held at the home of Mrs. T. Thorsen on Tuesday afternoon with Mrs. R. Smey as assistant hostess. There were sixteen in attendance and various games were played and enjoyed as well as a delightful luncheon.

Mrs. Thorsen's guests the Misses Amy and Nora Amundson, spent Tuesday evening in Chicago visiting other relatives.

Mr. Walter Mueller and family of Chicago attended the Democratic picnic on Saturday at Des Plaines and then called on his father, Fred Mueller in Mt. Prospect.

Mrs. C. Pankonin had as her guest last Thursday Mrs. Irene Villwock of Chicago. In the evening she attended Arlington Heights O. E. S. as Mrs. C. Pankonin's guest of honor.

Mrs. E. Pingel spent Tuesday evening at the home of Miss Alice Mueller.

Some of the boys of the V. F. W. Post No. 1337 attended the institution of a new post at Harvard, Ill. They took their colors with them. The following boys went: Paul Holste, Edward Pohlman, Emil Grienke, Otto Busse, Arno Schramm, Arthur Flesch, William Gromoll and Christ Cullen, all members of the post.

We are sorry to hear of the death of Mr. Hedke, father of Mrs. Frank Luaders. The funeral will be held Saturday afternoon at 2 o'clock at St. Paul's Lutheran church.

Mr. Lewis Hasz had the misfortune of smashing a finger so severely that amputation at the first joint was necessary.

The bike and large tent stolen from Kenneth Schramm has been recovered through the efforts of Chief William Mulso.

Mr. and Mrs. William Luckner of Chicago were guests of the E. M. Luckners on Sunday.

Little Muriel Luaders is confined to her bed and is quite ill. Hope she recovers quickly as she is missed at school by her playmates.

The harmony of many voices, males we should say, have been heard at practice in the St. Paul school. Wonder what it is all about.

Mt. Prospect is still growing even in times when the country seems at a standstill. A home is being erected on William street, half a block south of Central road.

The fire siren caused a bit of excitement Sunday night. The fire and smoke seen first northwest of town however proved to be a prairie fire and quite a large one at that. No damage occurred however as our firemen were right there on the job.

The Young Peoples Society of the St. Paul church held their meeting at the school last Monday.

The Concordia Mutual Benefit League meets Monday, Oct. 3, in the St. Paul school at 8 p. m.

ST. PAUL'S CHURCH

Calendar
Quarterly meeting of the congregation Sunday, 2 o'clock at the church.

The church Council meets Friday night, Sept. 30, at 8 p. m. at the school.

The confirmation class begins next Tuesday morning, Oct. 4. Bible class will start Thursday evening, Oct. 6, 8 p. m. at the school house.

Mission Festival will be celebrated at the church Sunday, Oct. 9. The speaker for the afternoon will be Pastor Paul Meyer of Glenview, who will speak in the German language starting at 2:30. The evening address will be in English at 7:30 p. m. by Pastor Daniel Hennig, who is a missionary of the North Illinois district.

Notice of District Conference

District 21 of the Illinois Congress of Parents and Teachers, announces the annual conference for Friday, October 14, at the Ingleside High School, Ingleside, Illinois. The conference will be an all day session beginning at 10 o'clock. The morning will be given over to round table discussions with various state chairmen presiding. The afternoon speakers are Mrs. Holland Flagler, Chicago, president Illinois Congress; and Mr. Francis Bacon, principal Evanston Township High School. Their topics are respectively, "The Responsibility of the Home During the Present Crisis" and "The Responsibility of the School During the Present Crisis." A large group is urged to attend from each local unit, as much enthusiasm beneficial to the local unit will result. Luncheon will be served at 12:15 o'clock. Price, 50c. Make reservations with Mrs. Wilder, our local correspondent, at Mt. Prospect 875-J, not later than Oct. 8.

American Legion Auxiliary Notes

The local unit of the American Legion auxiliary wrote "finis" to its second year last Monday evening in its meeting at the home of Mrs. R. A. Bailey, 33 Stratford road, Cumberland. That it has been a year of growth and many accomplishments was evidenced by the reports given by all the retiring officers.

Mrs. Anne Bernhart, retiring president, commended all the officers and members of the unit on their splendid loyalty and cooperation which has been manifested in all the activities of the organization. The new officers will be installed at a joint meeting with the Legion Post on Monday evening, October 17.

The social hour was devoted to games and contests. Mrs. Kent sponsored a contest for naming the new permanent wave of the Rosine Beauty Shop. Mrs. Wallentin won the prize by the name "Kentway Wave." The selection was made by vote.

Two guessing games were won by Mrs. Carlson and Mrs. Lamprecht.

Mrs. Bailey served delicious home made doughnuts and coffee to complete the enjoyment of the evening.

The Veterans at the Pershing hospital at Elgin will be treated to a supply of home made jelly and coffee cake next Thursday, October 6.

LEGION NOTES

Election of officers for the coming year will take place at the next meeting, Monday evening, Oct. 3. All members are urged to be present.

You will also be interested in the outgoing commander's report of the activities of the past year, which will be given by Commander Bernhart at the next meeting, rather than on the evening of the installation.

October 17 is the date set for the installation of officers for the coming year. This will be a joint installation ceremony for both the Post and the Auxiliary. The public is invited to attend and is assured of a very interesting program.

Another date to keep in mind is the Armistice Day dance. The time is Saturday evening, November 12 and the place is the North-west Hills Country club.

MASCOUTEN CAMP FIRE GIRLS

By Virginia Deering
Did you hear about those sticky "Colonels" (kernels) that the Mascouten Camp Fire Girls dealt with last Thursday evening? These popcorn kernels were so sticky that, either they stuck to the hands or they fell apart; but at last resembled some sort of a popcorn ball. One of our Camp Fire sisters, although in the hospital, received a sample of these popcorn balls; with a note from each of the fifteen girls present. We hope that both the balls and the notes will help cheer and bring about a fast recovery for Marjorie.

Next week we will meet to plan a program for the next six months. Each girl is kindly asked to come with some sort of an idea as to what we will do the next 25 weeks. We hope that not all of the girls will come with a suggestion of some sort of party, because as you know, one party for each girl would be rather expensive; and since "depression" is on, we just can't afford it.

V. F. W. NOTES

The date is drawing nearer to "The Road Back Home." This play, which the committee feels you will appreciate, is one of those real home plays. It is one really true to life and the little heartaches mothers have and the little joys, will be a real treat. We must not forget the comedy however and comedy it sure is. Laughter a-plenty. Your heart will beat a bit quickly at times and whose wouldn't when a loved one would be snatched away. Love? Yes! A sweet love creeps into the play. A beautiful love scene takes place. You'll want to see it. At St. Paul school auditorium, Oct. 14th and 15th. Busse and Elm St. at 8 p. m.

The fall committee have been very busy with the programs they have outlined. Much work is to be done as this may prove a severe winter.

Nine members of Prospect Post No. 1337, Veterans of Foreign Wars, motored to Harvard, Ill., where a charter was issued to a new post there.

V. F. W. AUXILIARY

Next week Friday, Oct. 7, the election of officers of the Ladies' Auxiliary of Prospect Post No. 1337 will take place and we urge all you members to be present.

At the last National convention that had been held at Sacramento, California, last month, Mrs. Consuelo de Coe of Sacramento, and wife of the retiring commander in Chief, Harold De Coe, was elected National president. Mrs. Julia Petcock of Cleveland, Ohio, Sr. vice president, Dr. Lola Eastham, past Illinois state Dept. president is national chaplain and lives in Chicago. Mrs. Grace Davis of Kansas City, Mo., treasurer, Mrs. Alice Burdick of Minneapolis, Minn., conductress and Mrs. Cashman of Superior, Wis., is guard.

The next National convention to be held in 1933 will take place at Milwaukee, Wis.

MT. PROSPECT COMMUNITY CHURCH

The Rev. Oliver C. Weist, associate secretary of field work of the Community Church Workers of America will preach the sermon Sunday at the Mt. Prospect Community church. Rev. Weist has been pastor of the First Community church of Columbus, Ohio, for the past sixteen years.

ARLINGTON HTS

Mr. and Mrs. Geo. Palmer of Arlington Heights, were called to Alden, Ill., Saturday morning, due to the death of Mrs. Palmer's mother, Mrs. E. C. Hammond, who was operated on Friday morning and passed away at 12:20 Friday night.

The funeral was Monday at 2 p. m. at the family home.

Mr. and Mrs. Palmer regret very much that they were not able to notify their friends.

Mrs. Louise Hahnfeldt visited her son, Alfred and family of Mundelein for a few days last week.

Mr. Case Van Patten from Missouri Valley, Iowa, has been a guest of his aunt, Mrs. Elizabeth Guild, the past week. His cousin, Mr. Bruce Guild, takes him to see what a thriving little town Chicago has grown to be. Mr. Van Patten is a railroad mechanical engineer in the North Western shops, where he has been for over 40 years. He spent most of his time off duty last year caring for his mother in her last illness and has had no real vacation for years past. Mr. Van Patten has many interesting things to tell of railroading and of farm conditions in Iowa.

Word was received by the Lips family here Monday, of the death of Lawrence Lips, who died in the hospital at Green Bay, Wisconsin, where he was taken when suddenly ill by his uncle Alex Lips, with whom he was spending a vacation that was to have been a happy one for both. Obituary and funeral notice elsewhere in this paper.

Mrs. M. F. Russell, who spent the hotter days of July and August with her relatives in Arlington Heights, writes that in her home, St. Petersburg, Florida, the heat has not been as severe as it was here, yet our take have been cooler since she went home. She is such a brave, active woman, we miss her in the meadow very much.

The hospital committee of the Arlington Heights American Legion auxiliary will make its regular monthly visit to Elgin on Thursday, Sept. 29. The treat this month will be cigarettes and apple pie. Anyone having clothing for men or magazines, they wish to send, please take them to the Legion house before Thursday. Any one wishing to visit the hospital please call 847-J, and arrange with the chairman, Mrs. Wm. Simon about transportation. Cars will leave the Legion house promptly at 10:30 o'clock.

Sunday, Oct. 9, the Sunday school will observe Rally day. Every member please try to be present and bring new members.

Choir practice every Thursday evening.

Christian Science Churches

"Reality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on September 25.

The Golden Text was: "From everything that is everlasting, thou art God" (Psalms 90:2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Wherefore henceforth know we no man after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more. Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (11 Cor. 5:16, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The real man being linked by Science to his Maker, mortals need only turn from sin and lose sight of mortal selfishness to find Christ, the real man and his relation to God, and to recognize the divine oneness" (p. 316).

9 to 9:30 p. m. Singing practice from the new Christian Science Hymnal. All are invited to participate.

Christian Science Churches

"Reality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on September 25.

The Golden Text was: "From everything that is everlasting, thou art God" (Psalms 90:2).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Wherefore henceforth know we no man after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more. Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new" (11 Cor. 5:16, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The real man being linked by Science to his Maker, mortals need only turn from sin and lose sight of mortal selfishness to find Christ, the real man and his relation to God, and to recognize the divine oneness" (p. 316).

Christian Science Society, Arlington Hts., Opens Reading Room

A reading room was opened last Wednesday afternoon by Christian Science Society, in their church edifice; entrance on Fremont street. It will be open Wednesday afternoons from 2 to 4, until further notice. Facilities for quiet study of the Bible and authorized Christian Science literature, meditation and prayer, are thus provided; and the Society invites all to make use of them. Those desiring information on this subject may be assured that what is here provided is authentic, it is stated.

Current numbers of periodicals are on sale in the anteroom, and books may be ordered through the librarians. A free circulating library is available for those who wish to borrow books.

Steffen Family Reunion Held at Plum Grove Park

A Steffen family reunion was held last Sunday afternoon and evening at Plum Grove Park, on Plum Grove avenue (Mr. Herman Gieseke's place).

Included in the out-of-town guests were Mrs. Bertha Marshall, of Scottville, New York, who had not been in this vicinity for 40 years, and Mrs. Carrie Ertman, of Rochester, N. Y.

From Chicago were: Mr. and Mrs. Arthur Duenn, Mr. and Mrs. Frank Duenn and Mr. Arnold Scheel and daughter. From Palatine were Mr. and Mrs. Herman Gieseke, Mr. and Mrs. Lester Gieseke, and Mr. and Mrs. George Mess. From Arlington Heights were Mrs. Elizabeth Schrader, the Schad family, Mrs. John Schulenburg, Mrs. Ed. Schulenburg and family, Mr. August Schulenburg and family, Mr. and Mrs. Einer Ihle, Mr. and Mrs. William Lauterburg, Mr. William Duenn and family, and Mr. and Mrs. Ed. Duenn.

Cards and other games were played, and dancing was enjoyed in the evening. A very delicious supper was served in the park.

L'Avant Courier

Charles Ferdinand Hofstetter, one of Arlington Heights loyal enthusiastic young men, is leaving from Chicago next week on a "Good Will Tour" as a representative of "A Century of Progress" from Chicago to the coast. He has his citizenship papers, his discharge papers from the U. S. A. War service as well as certificates from "A Century of Progress" officials. He goes as an "ambassador of Good Will" to advertise the "World's Fair" with his beautiful cream silver tail steed "Flash," his faithful dog "Ranger" and himself, the three Musketeers, a brave, valorous trio facing the unexplored regions of the west. The dog and the horse seem to have formed a secret pact to carry on for their master as companions, this great adventure. Arlington Heights must have a pridel part in their progress and will be further informed as they go on their journey.

CARD OF THANKS

Mr. and Mrs. Clarence Winkelman desire to express their sincere thanks to the Public Service Co. and all other officials who so kindly gave their aid and sympathy and to all kind friends and neighbors who gave sympathy and assistance in the hour of their unspeakable sorrow. We do appreciate and thank you.

Mr. and Mrs. C. Winkelman

Annual Rally at Lutheran Church

Next Sun. Morning

With the object of inspiring its pupils, teachers and friends with a clearer vision of its noble Christian aims, St. Peter's Lutheran Sunday school is observing its annual Rally Day on Sunday. The teachers and officers of this institution are making concerted efforts to awaken and maintain an intelligent interest and a warm response to the fine Christian service they are performing for the souls of the children under their care. In line with that endeavor a letter has gone out to the parents of the pupils, seeking to enlist their cooperation and inviting them to participate in the Rally Day program.

It has been the aim of the Sunday school board to arrange a program which will be truly devotional and which will stimulate true consecration to the cause of Christian training. At the close of the Sunday school session the entire school arranged in its departments with their respective teachers will march into the church singing "Onward Christian Soldiers." During the service various departments will be represented by class songs and recitations, but the devotional character of the service will be chiefly emphasized thruout. By request of the board the Rally Day sermon will not be delivered by an outside pastor, but the local pastor, Rev. H. C. Fricke, will fill the pulpit on that occasion.

Convinced that the success of the Rally Day program depends on the good will and support of the friends of St. Peter's Sunday school, the teaching personnel is appealing to them to show their appreciation for their efforts by attending the Rally Day worship at eleven o'clock Sunday morning.

CARD OF THANKS

We thank our many friends who participated in our recent bereavement.

Mrs. Herman Rascher and Family.

Fresh Air Camp at Deer Grove Completes Season Within Budget

Stanley O'Carroll, superintendent of Camp Reinberg, forwards this week, to the members of the county board and the various social agencies with which the fresh air camp at Deer Grove, is connected, a report of over fifty pages that cover every phase of the work accomplished there the past summer. The report is very exhaustive. Twelve pages are devoted to the actual routine work of the camp, and what was accomplished in service to the boys, girls and mothers who were its visitors. The report would be intensively interesting to

social workers. There is a mass of data, showing age of visitors, foot nationalities, size of families, food budget, general expenses, hospital operation and a detailed list of food consumed, including sample menus, etc.

The value of milk as a food is illustrated by the fact that nearly one third of the food budget of \$7,500 was expended for milk, which was purchased at 26 1/2 cents a gallon. Groceries cost \$1,870, produce \$1,275.17 and meats \$956.41. The entire camp was operated within its budget. Those connected with relief work will be interested in knowing that the actual cost of food consumed in meals was less than 10¢ per meal. There were 77,453 meals served during the summer.

The report of Mr. O'Carroll is too lengthy to publish in full, but the following extracts will be interesting to many of our readers.

During the period from July 5 to September 3, 1932, six groups were entertained at camp, each group enjoying a ten day outing.

Our go had never accepted charity before and they were more appreciative of the outing than were the groups in previous years as follows: 4 groups, all-white; 1 group, cardiac; 1 group, all-colored, 2,764 persons were thus guests.

Budget

The following is the general budget which shows the amount appropriated, the amount expended, and the balance on hand in each of the funds placed at our disposal:

Food: Appropriation \$7,500.00; Amt. expended \$7,124.39; balance \$375.61.

Staff salaries: Appropriation \$3,000.00; Amt. expended \$2,983.48; balance \$16.52.

Transportation: Appropriation \$2,000.00; Amt. expended \$1,303.80; balance \$696.20.

Supplies: Appropriation \$2,500.00; Amt. expended \$2,420.43; balance \$79.57.

Meals: Guests 67,932; staff 9,106; Visitors 415; Total 77,453.

Analysis of Cost

From the above figures it can be seen that the cost to the Illinois Emergency Relief Commission was \$0.091 per head per meal and the cost per head per meal to the commission was \$2.34. The Cook County Bureau of Public Welfare, which paid all other costs of operation, expended \$2.22 per head per group. The total cost per head per group was therefore \$4.56, which compares favorably with last year's cost per head per group of \$5.08.

Staff

Our staff consisted of 24 paid workers who have been well trained for the positions they filled. Those charged with the care and recreation of the guests are experienced workers whose duties throughout the year bring them into daily contact with mothers' and children's work.

Junior: We also maintain a volunteer Junior Staff of 18 Boy Scouts who are selected from all over Chicago on the basis of ability, leadership, and personality.

Medical: Our hospital this year was under the direction of two graduate nurses with Dr. Campbell of Des Plaines as attending physician and with Dr. Sargeant in charge of Infant Welfare. The physicians' fees were paid by the Illinois Emergency Relief Commission.

The Cook County Hospital assigned Dr. Toman and an additional nurse to reside at camp during the cardiac group, due to the special care required by these guests.

An Infant Welfare Clinic is conducted the second day after the arrival of the group. Furthermore, an one hour lecture on Public Health is given every morning by one of the nurses in the Rural Public Health Division under the direction of Miss Fulmer.

Undernourished Children. A selected group of undernourished mothers and children were observed to determine the effect of the outing on them. Each group, 20 boys, 20 girls, and 20 mothers were selected to be weighed in at the beginning and at the end of the outing. As shown in Table No. 16 the following results were obtained: 70.8% gained weight; 16.7% remained the same in weight; 12.5% lost weight.

Mothers' Department. Our Mothers' Department was under the supervision of two directors, assisted by Mrs. Martin. One of these directors was a trained kindergarten worker who cared for the children under five years of age when the mothers and older children were away from camp on hikes and swimming.

Girls' Department. The Girls' Group, under the direction of Miss Katherine M. Hayward and two assistants, had a most successful season. A total number of 1,042 girls attended camp this year.

Boys' Department. The Boys' Group, under the direction of John W. Manz and three assistants, also enjoyed a successful season. The number of boys attending camp this season totaled 1,187. Instructions were given in swimming, life-saving, nature study, and scoutcraft. During each group tourneys were held in football, volleyball, and horseshoe pitching. A camp baseball team, selected from the best players amongst the guests and Junior Staff, played a total of 23 games with outside teams, going through the entire season undefeated.

Mail. A daily check on both the incoming and outgoing mail was made this year and the results incorporated in Table No. 18. Once each group every child of school age is required to write a letter home if his mother is not at camp. The total of 5,087 pieces of mail gives an idea of the quantity handled.

Maintenance of Buildings. New Work, Replacements. Great credit is due to those responsible for the fine condition in which the Camp was turned over to us at the opening. Both the labor and the supervision were furnished through the courtesy of Capt. Sauer, Mr. Olcese, and Mr. Robert Mann, Assistant Supt. of Forest Preserves. Also deserving of special mention is Mr. Gustave Bedurski, resident caretaker, whose daily inspection of the water supply and plumbing during the winter interim between camping seasons prevented heavy repair and replacement bills.

In addition to maintenance, the Forest Preserve completely overhauled our lighting system, and set additional lights over the front and rear of all buildings. Furthermore, they repaired the plumbing system, installed additional drinking fountains, and did a large amount of miscellaneous carpenter work. Late in August a very beautiful driveway and play area for our girls was installed. The material used is similar to that used for paving roads and promises to give a durable surface free from dust.

Church. During the season there were Protestant, Catholic, and Jewish services held every Sunday at Camp Reinberg. Many residents and visitors in the Forest Preserve attended these services weekly.

Shoes. An alarming number of guests during the summer either had no shoes whatever, or those they possessed were so unfit to wear that Camp Reinberg officials cooperated with the Illinois Emergency Relief Commission to supply the more needy cases with proper footwear. Accordingly, 175 pairs of shoes were distributed to these, amounting to a total of \$313.50.

Camp Program. The program followed at Camp Reinberg is based on the Scout program, since that has been found by experience to be the best so far developed. Thru it, the fundamental ideals of citizenship and character are inculcated as much as possible in the minds of our guests. The Scout program has been found an efficient means for handling large groups—at line-ups, at play, in the mess hall, etc.

Discipline of Guests. The matter of discipline is handled by a merit system, whereby each guest upon arrival at camp is given credit for two hundred merits, or points. Additional merits may be earned by volunteer work in the interests of camp, adherence to rules,

If it's a Good Picture the
Arlington will have it.

Herman Rascher Gone; Farm Now Race Track

Mr. Herman Rascher, 101 S. Mitchell avenue, Arlington Heights, was found dead in the basement of his residence last Thursday morning. He was aged 67 years, and for the last five years had resided in Arlington Heights, having sold his farm to the Arlington Park race track. He had lived on this farm one-half mile west of town, for 36 years.

The funeral was held at 2 o'clock Saturday afternoon at the Karsens funeral home in Arlington Heights; Rev. C. M. Noack of St. Peter Ev. Lutheran church officiating. Mr. William Ladwig of Forest Park, sang the solos. Burial was in St. Peter Lutheran cemetery.

Mr. Rascher was born in Schaumburg, Ill., July 20, 1865. He was confirmed in Arlington Heights, was married to Miss Caroline Schopke, April 12, 1891, by Rev. Edmund Roeder of St. Peter Ev. Lutheran church. There were four children to this union, of whom one, Herman, Jr., passed away ten years ago at the age of 30. The three children living are Mrs. Amanda Jaquet, Mr. Henry Rascher, and Mr. Arthur Rascher, all of Arlington Heights. He leaves beside his wife and children, one daughter-in-law; one son-in-law; three grandchildren; one brother; four sisters; two brothers-in-law; five sisters-in-law.

THANK YOU

As chairman of the Homer J. Byrd Day committee, I want to express our appreciation to the business men and others who aided in the program and otherwise in making the day a success. It served to further awaken the voters of this community to real Democratic principles for which candidates represent.

George Olcese, chairman.

and interest shown in Camp programs; while demerits are given for violation of rules and any infraction of camp standards.

At the last meal of the group, those having the largest number of points from the mothers', girls', and boys' groups are awarded gold, silver, and bronze buttons, or honor awards, with inscription, "Camp Reinberg—Do a Good Turn Daily." The guests work very hard to win these awards and Camp Reinberg buttons are worn proudly in all parts of the city.

Some idea of the quantity of food needed for Camp Reinberg, can be gathered from the following figures:

Bananas, 3,287 lbs.; bread, 7,240 loaves; butter, 1,200 lbs.; butter (peanut), 375 lbs.; catsup, 14 gals.; cheese, 209 lbs.; coffee, 367 lbs.; Cracker Jack, 2,400 boxes; eggs, 499 doz.; ice cream cones, 4,000; jelly, 2,220 lbs.; milk, 7,905 gals.; peppers, 13 bu.; potatoes, 68 sacks; rice, 400 lbs.; sugar, 1,200 lbs.; vinegar, 65 gals.; watermelon, 63; beef chuck, 1,165 lbs.; salt pork, 231 lbs.; stew, 667 lbs.; hamburger, 667 lbs.; fish, 950 lbs.

South Side Breezes

Mrs. George Pfingsten entertained relatives from Chicago and Arlington Heights at a luncheon Tuesday.

Earl Kopplin, Preston Winkelman and Howard Hausam, say their old Ford stood the trip west fine and so did they. They just got back from Yellowstone Park.

Rev. and Mrs. Allan Billman and little daughter were guests Tuesday evening at Raymond Atkinsons.

Mr. and Mrs. Walter Lennartson and Jean have gone on a trip to Ohio this week before settling in their new home in Irving Park.

Mrs. Miller from Chicago visited her daughter, Mrs. William Kelo, Sunday.

The Sayer's family spent Saturday night and Sunday in Lockport.

Mr. and Mrs. H. C. LaBree of Walworth, Wis., are visiting this week at the home of their son, Jos. LaBree.

Bet it's been a long time since you've seen a cake walk. We never did see a cake walk. Well anyway the Fidelis group say that is just what is going to happen Friday evening at the Methodist church and it costs only ten cents to see it.

Mr. and Mrs. Albert Cavanaugh and daughter, Evelyn, visited cousins at Lombard, Ill., Sunday.

Most everybody is so busy canning now-a-days that they don't have time to entertain. Well, anyway they'll have plenty of good food ready to serve their guests next winter and then we'll write about who is entertained.

Mrs. Calvin Hoyt, whose hand was injured in an automobile accident several weeks ago, is beginning to find that life's worth while after all. Her fingers have healed nicely.

Mr. and Mrs. S. P. Mullev and Norman spent Sunday with Mr. and Mrs. Calvin Mitchell. Orin Neville joined them at Sunday dinner.

Second Payment Cook County Taxes As of 1930, Is Due

Persons in Cook county who have taken advantage of the recently devised installment plan of paying their 1930 general taxes and who made their first quarterly payment last July must pay their second installment before Saturday, October 1.

Local persons who go to the Cook county court house in Chicago to pay their second installment must present their receipt of the first installment before they will be given a bill for the second payment.

EASTERN STAR

Advance night, Sept. 22, was another epoch marking event in the history of our chapter.

Under a floral handkerchief arch, Sister Georgiana and Brother Chas. Pankonin, our A. M. and A. P., were escorted to the east by our officers, where they were accorded a cordial welcome by our W. M. and W. F. Our other advancing officers after being formally introduced from the east, Sister Carla Ehret, Cond., and Sister Jen Carlson, A. cond., were then escorted by our officers to their respective stations.

Other stations were filled by associate matrons of the neighboring chapters, Brother Geo. K. Volz served as A. P., Brother Anderson, as organist; Sister Rust of Park Ridge as soloist and Sister Irene Willwak, P. M., of Niagara Chapter was our acting W. M.'s guest of honor.

After a delightful meeting, a short program was held, and after congratulations and best wishes were accorded our advancing officers the evening was brought to a pleasant ending by a most sumptuous luncheon.

Plans are in the making for our fall dance. Watch the Chronicle for further announcement.

NOTICE

To voters of District No. 3
Polling place moved from C. & N. W. Depot to Roehlers Garage, 302 No. Evergreen street.

Do not forget to register Saturday, Oct. 1, 1932, 6:00 a. m. to 9:00 p. m. Everybody must register anew this year.

Arlington Heights

Friends, please be slow to criticize, for you must know this truth right: We hear much news, yet realize that most of it we dare not tell.

The old time adage was that the three Embers days, last week, September 21, 23, 24, rule the next three months.

Born, a daughter to Mr. and Mrs. Bob Rapp, September 21, Mrs. Geo. Shepard is caring for Mrs. Rapp and the baby.

Mr. Raoul Peeter with Donald and Mr. John Froelich, were dinner guests of Mr. and Mrs. Otto Heiman, Sunday. Donald concluded when he saw how lonely his home here looked with mother and Buddy, he didn't want to stay until they came home.

Mrs. H. A. Kossack was a luncheon guest of Mrs. G. R. Wolf at her new home in Mount Prospect this week Tuesday.

The Jolli-tate club, four married couples, met with Mr. and Mrs. Albert Kehe Tuesday evening last week for their usual jolly social evening, enjoying their games and social chat. During the earlier part of the evening, they presented Mr. and Mrs. Wm. Schlemm with little China pieces which suddenly reminded them it was their 20th wedding anniversary. Some one threw open the door to the breakfast room—when lo! the table was spread for a genuine chop suey feast. Everything a 20-year bride and bridegroom could want. Mrs. Schlemm was presented with a beautiful poppy centerpiece, for which she had once been heard to express a wish. Oh, it was a jolly party for each of the jolly eight.

Mr. Plaatje, with his daughter, Mrs. Schumaker and daughter of Chicago, were Sunday guests of his daughter, Mrs. Otto Heiman and family.

Mr. and Mrs. Harry Garland and family attended the funeral of his aunt, Mrs. Frank Garland, at Des Plaines, Monday afternoon. She was an old resident and close neighbors to Harry Garland's parents in the old days.

The friends of Miss Dorothy Wolf will be interested to learn that she recently entered the John B. Murphy hospital for a nurse's training course. Another one of our high school graduates who has seriously taken up further preparation for the long school of life. Miss Dorothy came to the new home of her parents at Mount Prospect, her first visits since entering the school last Thursday.

Mr. Walter Boireau has resigned from his business post in Chicago and with Mrs. Boireau plans to return to Boston, his former home. Mr. and Mrs. Boireau have many friends in Arlington Heights, who regret their going. Mrs. Boireau's cheerful service as a dietitian in the Community Dining hall made her many sincere friends among the co-workers. Too bad to lose such kindly helpful people from our town. Mr. Boireau is president of the Lions club, has been very active in civic affairs.

The friends of Mr. Wm. H. Meier of East Euclid are glad to see him able to walk about his home once more after his long inability from an accident last spring.

Mrs. J. T. Erickson of East Hawthorne street, is reported ill the past week or more.

Mr. and Mrs. Edward Fritz had as Sunday guests, Mr. Fritz' mother, sister and other relatives from Mount Calvary, Wisconsin. It was their first meeting with the Fritz' new daughter, Laura Katherine, a much worth while little miss.

Mr. W. A. Miles of Stonegate returned to his business in the city this week, after two weeks detained at home ill.

The Charles Taeges have had the house on North Val, recently vacated by the Frank Dobbins family, painted and redecorated, giving it quite a modern appearance.

Mrs. Oepel and Mrs. Rohe from Chicago Heights, visited their sister, Mrs. Helen Garland, Sunday, and found her much better than when last they saw her.

Mrs. Gilbert Klehm gave a little party on the lawn of the Draper home Saturday for a group of seven little girls of her Sunday school class. Little Virginia Wiberg was not well enough to be in the group. However she was prettily remembered through the usual thoughtfulness of her teacher. Cordelia Whitmore came from Glen Ellyn to be with her former teacher and classmates, and Estelle Hickey came from Chicago to enjoy her class party. You may be sure their teacher hostess made it a happy never to be forgotten day for the little group.

Russell Davis now has employment in Chicago, and makes his home with his uncle Henry Farnbach at Irving Park.

Our cheerful invalid friend, Mrs. Ella Boeger, has been busy making fancy work and has even offered to take orders to make pieces for some of her friends who know whatever she does will be well done.

The Sunshine club met in the home of Mrs. Ed. Foley last week Thursday. The day turned out to be made up of "Sunshine and shower," as the occasion included a surprise shower for Mrs. Gustave Engeling who was generously deluged with gifts. A happy meeting it proved to be. The next meeting of the Sunshine club will be held with Mrs. Otto Heiman, Oct. 13.

Russell Haynes drove over from Glen Ellyn Sunday to call on relatives here.

Mrs. G. R. Wolf, who, to our regret, now calls Mount Prospect her home, went to Chicago Wednesday to attend a bridge party and meet a group of her old time associates in the city.

Don't fail to register October 1, at your usual voting place.

Mayor and Mrs. J. D. Flentie, with their cousins, the Metcheks of Chicago, have gone to Nebraska to visit other cousins who live there.

Mrs. Ed. Bruhnke from Milwaukee came to be with Mr. and Mrs. Winkelman in their bereavement, and to attend the funeral of their little son. Mrs. Julius Bruhnke and Mr. and Mrs. Harold Peter took her to her home in Milwaukee Sunday.

The first rehearsal of the season for the Woman's club chorus will be held Tuesday morning, Oct. 4, at 9:30 o'clock at the home of Mrs. Ashton, 199 Carlyle place, Stonegate. It is desired that all the old members be present, and new members will be gladly welcomed.

Mr. and Mrs. W. L. Ankley and son, William, were Sunday evening guests of the secretary of State, Wm. J. Saranton at his Ingleside home.

Members and congregation of the Christian Science Society are holding hymn practice Wednesday nights from 9 to 9:30 o'clock from the new hymnal, which is much in advance of previous editions. There are sixteen tunes composed or arranged by Bach, besides many other hymns of high rank musically. The new book is of about twice the size of the old, and contains a variety of services in many countries.

Residents needing to cross State road seem to be poorly provided with planks to get across during the time the streets are torn up, and complain of the seeming lack of temporary accommodations.

Mayor J. D. Flentie and Mrs. Flentie are visiting in Scribner, Nebraska, having left last Thursday and expected back Saturday this week.

Order your cakes, pies, coffee cake and bread from Mrs. Kuntz, 443-J.

Now that State road is being paved, and widening is contemplated, would it not be a good time to have the electric light poles moved back into the line of the alleys, is being talked among the local residents.

Mr. Edward Snyder came home first of the week after two weeks' vacation at the lakes, north.

Mrs. Sophie (Jurchik) Steitz, formerly a resident here, now of Antioch, visited old friends at Arlington Heights Tuesday.

Mrs. Walter Gregory of North Belmont avenue, is at home convalescing, after having spent some time in a hospital. Mr. and Mrs. Gregory are among our newer arrivals. Mr. Gregory is employed with the Jewel Tea company.

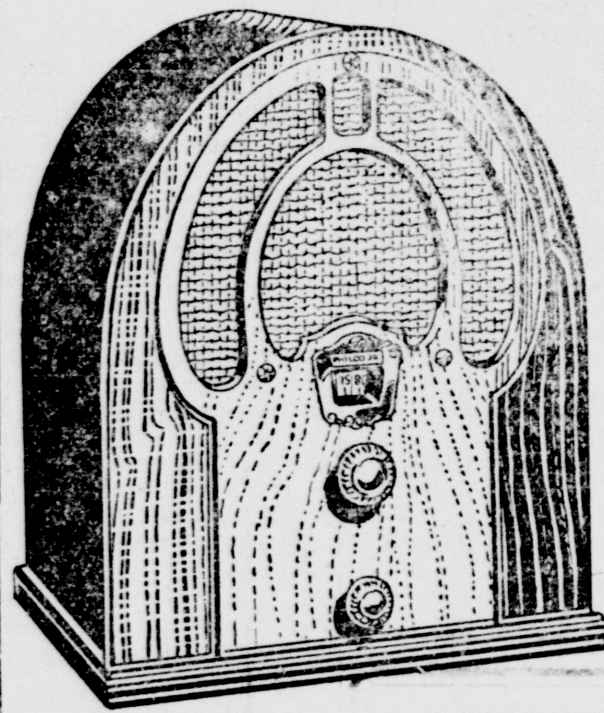

Mr. Cuny has been detained at home several days, not able to go to his business on account of illness.

Mrs. Oefelein spent two or three days visiting her niece in Chicago. Dennis Landmeier has entered for a commercial course in a Chicago school.

Mrs. Bertha Marshall of Scottsville, New York, is visiting Mrs. Alvina Gieseke at Plum Grove Park.

The Infant Welfare in Arlington Heights will have its regular monthly conference with the mothers and babies in attendance, Wednesday, Oct. 12, at 2 p. m.

OBSERVER'S NOTES

Page the stormy Equinox, With back turning all your clocks; And Daylight Savings faking, Our heads were as wooden blocks, Leading us to bear the shocks Of such time nonsense making To wind up, we just have the cheek To use the extra hour this week; Of the Lord's Day taking, Here's hoping preachers tell them where

They're going to, and I don't care If they give them a good shaking.

Honest, now, didn't you plan what a good nap you would get Sunday morning in that extra hour you got for allowing the clocks to tell the honest truth?

At any rate we'll have a sigh of relief when we waken when the clock strikes five and know it means five and not four o'clock as Daylight Savings put it. We need no scientific diagnosis of our case to know we are a bit off in our upper story to let such nonsense be put over us.

"Hard times," are you saying? Maybe, but in our block four out of five have radios, autos and telephones. Of course they are "needed" and it's right for folks to have them. Yet one can scarce be suffering the pangs of poverty when they are blessed with these modern helps.

A little child drowned! How the word flew over the town. "A touch

of nature makes the whole world kin" and a touch of sadness binds the whole community together; heartache for the parents and relatives of the little child whose life so tragically came to an end here. A little bud taken to bloom in "The kings garden" where no blight of earth can harm its innocent beauty.

When you see children older grown Caught in the tempter's snare, Suppress your tears, suppress your moan, Thank God your child's not there, And that in His bright home above, Where all is pure and true, Kept safe in God's eternal love— He waits and longs for you.

I think that was a real "nice piece" our Calvin wrote for the Post. It would have seemed a bit lengthy if it had been measured by the yard or even paid for at so much per word. However, it was good; couldn't have done better myself. Writing if it is to be paid for at so much per word, may be long otherwise brevity is the soul of wit and thus tersely told are most impressive.

Some one discoursing on the verbiage of modern writers and the long columns conveying little substance says: "The Bible story of creation begins with man in a garden and ends with the Holy City, yet takes few words in the telling;" while a reporter takes columns under startling headlines to tell of the death of a woman who weighed 300 pounds, and in her career had to be lowered from an upper window of her house.

Fine weather this, not a storm in this month so far. Some uninformed person is sure to say "This is Indian Summer." Well it isn't. Old Chief Shabbona told my father Indian summer came after a freeze and heavy frosts. There was a legend of the squaw winter first, then the Indian summer. I told you that last autumn, didn't I?

It just seems as if some towns like some people, get all the "breaks." Here's Wilmington, a small town in Will county on the Kankakee river, way out of Chicago, through an auto disability had the good fortune to entertain Royalty when Prince Frederick Wilhelm Hohenzollern was detained several hours waiting for another Ford car.

Prince Frederick was on his way to Springfield to be the guest of Gov. Emmerson at a luncheon. He was carrying a wreath to place on Lincoln's tomb. He is a son of Germany's Crown Prince, a grandson of the Ex-Kaiser, Wilhelm Hohenzollern. He fared rather better at Wilmington than his great uncle, Edward Seventh, did over 70 years ago.

It was when Edward, Prince of Wales, afterwards King Edward Seventh, was in this country on that famous tour, he with his suite of dukes and courtiers passed over the river at Wilmington on their way to the grand prairie of Illinois. Not recognizing royalty, the royal cavalcade were caught exceeding the speed limit in crossing the river Kankakee on an old wooden bridge. They were hailed into justice court and paid the legal fine for breaking the traffic law of that day. This they paid cheerfully and went their way to take it out shooting prairie chickens. Everybody liked the Prince Edward.

Arlington Heights, so far as I know has never entertained royalty. Though we have many royal good folks, and we also have a number of loyal ex-soldiers, who were induced to go to fight a horrible war "To make the world safe" or free "for Democracy" without Kings. I hope none of these brave men will interpret it to mean "make the world fit for the Democratic party." How is it to be, brothers?

Our town schools must be extra good. A little boy and girl who began their school days here, moved to the city and at the opening of the fall term, entered a city school. They are homesick for their school, their playmates and teachers, here. Especially little John who says, "I just want Miss Clark for my teacher and no one else."

So Wilmette is segregating its chickens. Here must not be heard to cackle within 75 feet of a residence and roosters heard to crow must not be less than 200 feet from

a residence. Deary me, wish we didn't have to hear any worse sounds than chickens make. Then it only reminds one of chicken dinners. If those Wilmetters had to hear these terrible machines that go thundering by murdering our peace and busting up our pavements they would welcome the cackle of a hen or the crow of a rooster.

I am surfeited with flowers, Through long hot summer hours; With bird songs ringing in my ears Of forebodings I am weary, And platitudes called cheery, And with hectic floods of tears.

I am surfeited with preaching, So called scientific teaching; With theories but halfway understood, With high talk of modern knowledge, Now obtained in school and college, With empty phrases on man's brotherhood.

Yes, I'm surfeited with hearing Loss of all we've been revering, For "broader thinking progress brings." Of the price in blood and treasure We paid for a false measure For Democracy instead of kings.

Who is not surfeited with hearing Of substantial disappearing For theories misleading all our youth, Yet these shams are not concealing God's great plans He is revealing; Marvels of His Majesty and Truth.

Miracles are still appearing, Unto men their Lord revering, Proving God's unbroken plan God the Father and Brotherhood of Man.

The storm centers of political activities are beginning to blaze. Communications come by mail telling us how we can save the nation by casting our votes for the sender of life saving information. Wonder why I. Ham. Lewis keeps so still, wonder if he has some endurance test on by which he can win the prize by keeping silent.

When I was a child father offered to give a penny, and pennies in those days were big as church suppers are now, to the one who kept still the longest. Strange to say, I won the penny, because I went to sleep. At least so the losers all said. At any rate got that big penny. Can it be our silver tongued orator has gone to sleep to win an endurance test for silence?

The Woman's club, one of the oldest organizations in our town, meets for the initial session of the year, October 5. Organized by a dear bright woman, as a Reading Circle 1887, organized into a Woman's club, 1895. It has grown with the years, yet has never held a more loyal and intelligent membership than in the older days when Mrs. Emily T. B. Draper was its president. One of its first mottoes was "Dare to be ignorant that you may learn." Mrs. Walker, Mrs. Draper, Mrs. Celestie Best, Mrs. Noyes and others, good strong earnest women, not excelled today.

Here is one of the songs written for the club some time in the past, yet not so far as not to fit the aims and purposes of our Woman's club today.

Come sing a song for a loyal band, Our club is Arlington Heights, That for the right will ever stand, Unitedly as one. Then raise your voices full and clear, Let all the people know That we, together, year by year To higher purpose go. Chorus: Sing out, sing out, For women tried and true; Sing out for our dear old club, That grows in grace to do.

Raise here a ringing song of cheer, For our members young and bright, For those long gone we drop a tear While we as one unite To raise our chorus full and strong, For let its echoes ring Until we drive out every wrong And peace and justice bring. Chorus: Sing out! Sing out, For women kind and true, Sing out for our dear old club, That forward goes to do.

So many happy surprises and pleasant things have come to us in our small part of an over grown town. Was just about the house Wednesday when heard a cheery voice in the hall and there stood Mrs. Helen Garland as bright as a new dollar and a sure cure for tired eyes. It does seem like a miracle to see her so restored to health.

That same evening a young man with a radiant face came to tell us his wife and little daughter were at home and wanted us to accompany him to his home to meet them. It was Mr. Edward Fritz and when we got to his home there was his wife, Mrs. Laura Ackley Fritz and the dear little baby daughter.

Then Friday had another happy surprise when in walked two of my long missed children to make the first of all these happy surprises. If so much of good can come to one poor mortal, think of the full record of the week in our town.

Too bad we poor mortals too often fail to realize that every good and perfect gift cometh from God. We boast of what science is doing, what invention is doing, yet only as if so much of good can come to one poor mortal, think of the full record of the week in our town.

"What God hath wrought," In reverent phrase; Spake a great man long ago, When the first cable message brought Under the ocean's flow.

"What God hath wrought," Do we today speak in such reverent phrase? Too oft we boast "What man has wrought" In modern skillful ways.

The auto that from coast to coast, In miracles of speed, Conveys us as we loudly boast, Of man's power to succeed.

The airplane and the radio, Beyond man's wildest dream; On wings across the world they go, As northern mysteries stream.

They speak across a continent, As men speak from face to face; They probe the seas, and not content, They measure starlit space.

"What God hath wrought," He gives His great creative power, Inspiring men of thought, And by this miracle each hour God given, great things are wrought. Elinore Crisler Haynes.

The \$20,000,000 bond issue, to be voted on in November, is to pay off relief obligations assumed earlier in 1932. If the bond issue does not pass taxes will be confronted with another large property tax. If it does pass, the money will be diverted from gas tax funds as the individual county has obligated itself by past borrowing.

Where Quality Pays

At this time of year the subject of tree and shrub planting engages the attention of many a home-owner.

The thought that should be uppermost in the mind of the purchaser of nursery stock is to secure quality above all else, especially in a season and year when so much inferior merchandise is being foisted on the public in the guise of bargains.

It should be remembered that the same amount of time and attention is required to plant and care for a scrub variety of tree or shrub as is demanded by one of superior quality. Yet in the course of two or three years, the difference in the appearance and general value of the good and the poor specimens will be astonishing. For this reason, the discerning purchaser will always prefer to pay a few cents or a few dollars more for a truly fine elm or an exceptional variety and specie of tamarix, and thus to know that results will be all that are to be expected.

The Medinah Nurseries which are famed as one of the finest tree and shrub growing institutions in this section are making a special bid for the preference of purchasers in their city-wide campaign for home planting on the part of every home owner. By means of this nurseries' unique offer of a tree free during the next two weeks with each and every tree bought of them, the cost of trees of high quality are thus brought down to a level with the price of average middling stock and even scrub stock.

The Medinah Nurseries is located at Medinah, Illinois, just a few miles northwest of Chicago on Irving Park boulevard and Medinah road, and just across from the magnificent Medinah Country club. Their ad appears on another page of today's issue.

Depositors of closed banks have been paid \$7,368,000 through the placing of receivers on a salary basis early last year instead of the 10 per cent fee formerly paid, Auditor Nelson has announced.

The validity of the state bail bond act is involved in the case of Kenneth D. Adams, filed for the October term of the state supreme court on appeal from Cook county. The case involves alleged violation of the act, which attorneys claim is an unconstitutional measure. Indications point to a large number of new cases which will be considered at the coming session.

SHRINE NOTES

Friends' Night came up to all expectations of friendship, when friends of the officers filled the stations, among them were quite a few new faces, and the sociability that exists in Arimathea Shrine, tells us that we will see them often in the future.

Shrine was opened by our own W. H. P. Soj. Oral Keller, who requested each officer to introduce his friend.

The acting W. H. P. was Rhoda Gowery of Bethany Shrine, Joliet, and as Soj. Gowery stood at the altar, our soloist, Julia Shadoween, sang "A Garden of Old Fashioned Roses."

Other officers were Edwin Tomlinson, W. O. S. of Star of the East Shrine, Aurora. Emma Wagner, N. P., Anna Nielander W. Chap., Grace Sheekles, W. Shv. Rose Rada W. P., Emma Eckbrecht, W. Scribe, Emma Rexes, W. Treasurer, Emma Scholler W. H. Lou Lewis, 1st W. M., John Schmidt, 2nd W. M., Richard Jahn, 3rd W. M., Wm. Taylor, King, M. Waller, Queen, Gussie Miller, 1st H. M., Elizabeth Taylor, 2nd H. M., Theresa Kornrump, 3rd H. M., Frances Farrell, Org., Mathilda Courtney, guardian, Chas. Billings, guard, Cecil Bradley, organist, Arthur Palmgren, flag bearer, Fern Krueger, Olga Sigwalt banner bearers.

Escorts, Lillian Palmgren, Elsie Traubert, Hazel Berry, Viola Kruse, Grace Rexes, Anna Crowell, Anna Granis, Alma Teske.

The anticipation of a night like this passes too quickly to note all the pleasure and happiness that reigns, we can only wish to have these affairs more often, but the year is far too short, so we now look forward to the next meeting which will be Advanced Officers' night, with Ella Danielson in the East.

At the close of initiation Soj. Gowery "thanked" Soj. Keller for the honor extended to her, stating it was her first time to serve in the East in a neighboring Shrine. She also "thanked" her shrine and Arimathea for the gifts and flowers.

A good number of Sojourners from Bethany and Star of the East were present to represent their Shrines, when their officers presided in the East.

Our own Worthy Scribe, Soj. Hannah Billings was guest of honor, she was greeted in song by our sweet soloist. Soj. Billings thanked Soj. Keller for the honor and expressed it was a privilege to sit in the East and see the work done. Soj. Keller said she wanted to show her appreciation for all the lovely things our scribe had done for her, she being a very efficient scribe, and served so well as chairman on the banquet last June.

Soj. Billings has been scribe of Arimathea Shrine for a good many years, and is well known among our sojourners. She is also a past matron of Park Ridge chapter.

There were 5 W. H. P. and 3 W. O. S. of the official family and 14 P. W. H. P. and 11 P. W. O. S. escorted.

Soj. Otto and Emma Skala were

escorted to the East under the strains of Mendelssohn's wedding march and were presented with a beautiful bouquet to mark the occasion, their 16th anniversary.

We were very sorry to hear of Soj. Theresa Porter's accident and hope she is well on the road to recovery at this time.

Soj. Elizabeth Pool wishes to thank the Soj. for their assistance at the bakery sale, a good sum was realized from this affair, although two big tables were heavily laden with fresh home baked goods, the demand far exceeded the supply, but there will be another sale and those who were unable to obtain all their supplies, may place their orders with the chairman.

THE GROVE, DIST. 32 The Plentie farm which was bought by a Catholic organization, has started work on the building which will be for children. Lynch & Co., are the contractors.

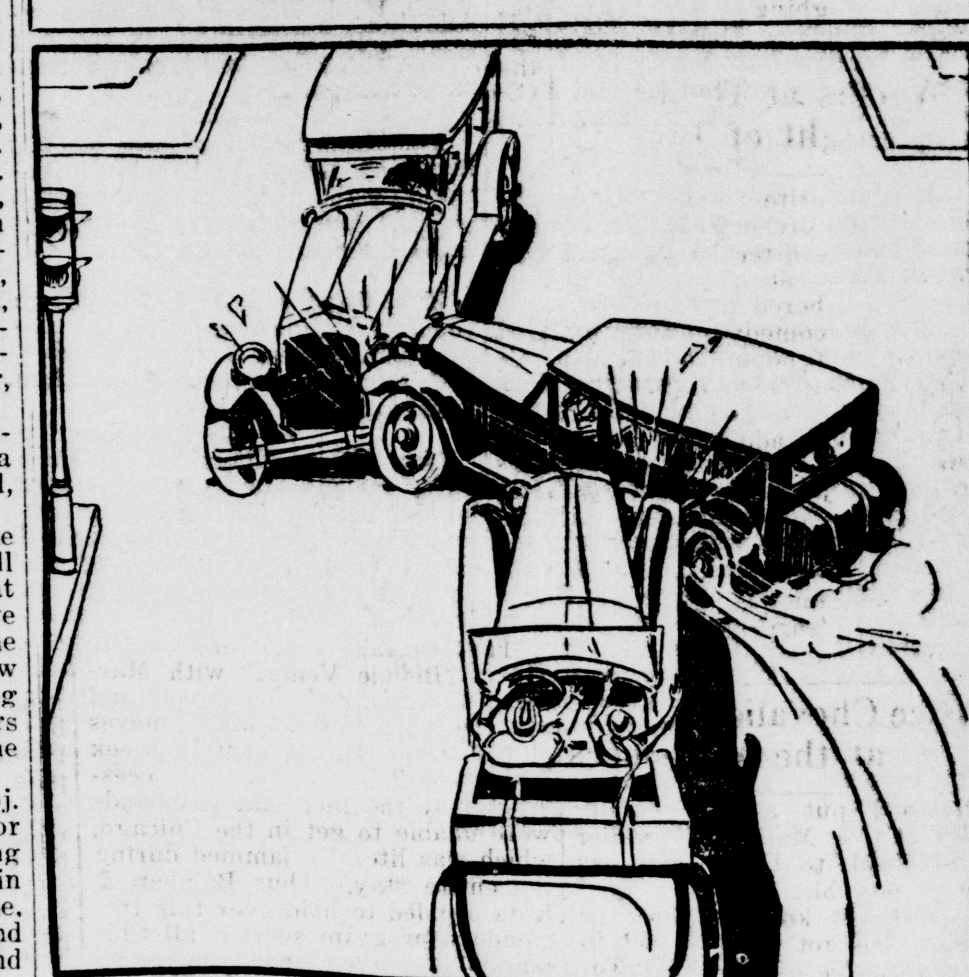

The P. T. A. of District 32 will meet Friday, Sept. 30, at the school house.

There were many people from District 32 and Glenview who attended the Democratic meeting Saturday at Des Plaines.

Mr. and Mrs. Albert Kries, who lived on the Plentie farm, but now live in Libertyville, are proud of a new baby girl born Sept. 22.

There will be another Old Time dance at Schuffreders pavilion, Oct. 1. Come and have a good time.

Turn Left From Lane

Motor Vehicle Administrators of the United States, the men who know, will describe a series of traffic violations and driving errors responsible for a majority of automobile accidents and advise how they may be avoided. This is number three of the series.

By HAROLD G. HOFFMAN (Motor Vehicle Commissioner of New Jersey)

TURN left from the left lane or from a point nearest the center of the street.

Follow that rule and the trouble bothering the black car in the picture will never bother you. Motorists in the left lane expect cars to the right of them to go either straight ahead or turn off to the right. Consequently, any car which cuts in front of a forward stream of traffic puts other cars in danger.

Last year 1,190 people were killed and 93,870 hurt in 78,890 accidents caused by improper turns, statistics of the National Bureau of Casualty and Surety Underwriters show.

The left turn regulation appearing in the "Model Municipal Traffic Ordinance" prepared by the Na-

tional Conference on Street and Highway Safety is as follows: "Approach for a left turn shall be made in the lane for traffic to the right of and nearest to the center line of the highway, and the left turn shall be made by passing to the right of such center line where it enters the intersection and upon leaving the intersection by passing to the right of the center line of the highway then entered."

Cars turning improperly create a most dangerous hazard because they not only cut across approaching traffic, but also interfere with pedestrians.

All safe drivers show their intention to turn left by pulling over to the left, by slowing down, and by giving the correct hand signal.

A Real Home

IN THE planning and arrangement of our funeral home, we were guided by one main principle; to provide in this establishment all the comfort and privacy of a fine residence plus the added convenience of a building designed especially for the purpose.

When we remove the remains of a loved one from the shelter of the private home, it must be to a place where the same reverent, dignified atmosphere it maintained. This is the yardstick by which we measure our facilities, and nothing less will satisfy us.

Bereaved families find our mortuary to be indeed a "second home"—a place where their privacy is respected and their every need anticipated during a trying time.

Theatre Notes

Four Marx Brothers in 'Horsefeathers' Uptown

That mad, merry quartet of funsters, the Four Marx Brothers, will undoubtedly set a record for laughs when their newest picture, "Horsefeathers," comes to the Uptown Theater Friday, Sept. 30.

Everywhere "Horsefeathers" has been shown the reception has been the same—wild, uproarious laughter. Their antics are enough to drive the drollest individual into a hysterical laughing fit. Truly, they are a sure cure for the blues.

Red Weems at Tivoli; 'Night of June 13'

Radio's favorite band, Ted Weems and his orchestra, come to the Tivoli stage direct from their successful stay at the Oriental Theater. Numbered in their program are many comedy and novelty arrangements of popular hits rendered in the same Weems style that has built up a tremendous following on the air. In addition, Weems has with him Andrea Marsh, radio favorite and featured soloist; Chilton & Thomas, famed dancers, and Fuller, Rawson and Dorval.

The screen features "Night of June 13," unanimously dubbed by critics as the "surprise" smash of the year.

Maurice Chevalier at the McVickers

Hollywood put a horse under contract to toss Maurice Chevalier from his back to the ground—as gently as possible.

The horse is known simply as Brownie. He got the contract to make a sequence of "Love Me Tonight," now at the McVickers Theater.

Although he has appeared in many movies as a vicious sort of nag, in reality he happens to be a docile, intelligent beast in private life—whatever private life a horse has. The sequence in "Love Me Tonight" shows a hunt at a swanky estate.

Harry Richman At the Chicago

Harry Richman, America's favorite entertainer and radio star, is coming to the Chicago Theater in person Friday.

The celebrated star of the "Ziegfeld Follies" and other great Broadway revues, national radio hours and talking pictures, will be on the stage singing the romantic songs that thrilled millions on his Chase and Sanborn broadcasts—telling his famous stories and introducing an all-star cast of talented merry-makers which includes Ethel Barrymore, Colt, famous daughter of the famous Ethel Barrymore; the Diamond Boys, one of the cleverest teams on the stage; Gloria Grafton, personality girl, and the twelve Richman ramblers.

"Desert Song" and "Blonde Venus" Are Held Over

Here's good news for Chicagoans!

The Chicago Theater's entire show, "Blonde Venus," with Marlene Dietrich, on the screen and "Desert Song" on the stage, moves to the Oriental for another week in the loop. This move was necessitated by the fact that thousands were unable to get in the Chicago, which was literally jammed during the entire stay. Thus Balaban & Katz decided to hold over this tremendous program so that all Chicago might have a chance to see it. "The Desert Song," starring Perry Askam, celebrated singer, is a giant production similar in every detail to the versions that have been playing all over the country at prices scaling from \$2 to \$4, a price which, however, popular prices will prevail during its tenure at the Oriental.

The other half of the program, "Blonde Venus," affords the exotic star, Marlene Dietrich, her most pretentious role thus far. And it is the opinion of critics and moviegoers alike that never has she been seen and heard to better advantage, for she gives what is probably her best acting performance.

Harold Lloyd in "Movie Crazy" at United Artists

"Pulling punches" is an old art in motion pictures, but it is an art with which Kenneth Thomson, prominent "heavy" in filmdom, is not very well acquainted.

Harold Lloyd will bear witness to that, as will his jaw, after his experience with Thomson in "Movie Crazy," with Constance Cummings, now showing at the United Artists Theater.

So will the fight that is seen in "Movie Crazy," which is one of the most realistic ever thrown on the screen. Thomson knew nothing about comedy of the Lloyd type when he was engaged for "Movie Crazy."

Zest and Thrills in 'Bring 'Em Back Alive'

How would you like to see a hungry man-eating tiger battle to the death with a twenty-five foot bone-crushing python?

How would you like to see this same embattled tiger step into a pool to slake his thirst and come face to face with the jaws of a sixteen-foot crocodile just waiting for tiger meat?

How would you like to see the meanest of jungle beasts...the wily black panther...tackle the jungle's most ferocious man-eating tiger?

How would you like to see what happens when the crocodile gets himself wrapped in the coils of a twenty-five foot python?

How would you like to see a lone white man in the heart of the tropic jungle entrap this snake with his bare hands...and alive?

These are some of the superior thrills in the Van Beuren Corporation's feature film, "Bring 'Em Back Alive," the authentic camera record of Frank Buck's famous book of the same name. There's no love interest...no sobbing sisters or he-man lovers in this release by Radio Pictures, directed by Clyde E. Elliott. But there's such excitement as no Hollywood brain-child could ever give. There's real heart-action, for example, when the hunted tiger charges right into a native village and then into a camouflaged trap. There's the heart-stopping moment when Frank Buck jockeys the trapped man-eater into the home-made cage at the risk of his life. As for the other big moments, there are combats between age-old jungle enemies that pale into insignificance anything civilization ever threw into a prize ring dominated by electric lights, ballyhoo and the quest for dollars.

A wide-shouldered, ruddy-faced, stocky man merely throws off the garments of the metropolis to trek thousands miles by land and sea in search of a Royal Bengal tiger. His weapons...his two hard hands. His props, a couple of native boys. His cages are hand-made right down in the heart of the tiger country. No nails to hold the bars in place...no forest steel bars. He is a man of steel, but rough-hewn poles tied together with things made from the dried bark of native trees. A mounting stampede of intensely interesting action follows the inaugural of this quest as shown in "Bring 'Em Back Alive," the premiere of which is set for the Des Plaines Theatre next Monday for three days.

Blessing to All

No life can be pure in its purpose or strong in its strife and all not be purer and stronger thereby.—Meredith.

FINAL SPECIAL ASSESSMENT NOTICE

In the matter of the petition of the Village of Mount Prospect for the special assessment of the cost of constructing a connected system of street pavement in PINE STREET and CENTRAL STREET in said Village, as provided in and by Mount Prospect Special Assessment No. 19, in the County Court of Cook County.

NOTICE is hereby given to all persons interested that the Board of Local Improvements of said Village has heretofore filed in said court in said cause a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity with the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said Court on the 17th day of October, A. D. 1932, at the hour of ten o'clock A. M., or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court on or before the time set for such hearing and may appear on the hearing and make their defense.

Dated, Mount Prospect, Illinois, September 30th, 1932.
BOARD OF LOCAL IMPROVEMENTS OF VILLAGE OF MOUNT PROSPECT.
By D. W. BUDLONG, Secretary.

H. J. THAL, Village Attorney. (9-7)

NING ELEY, MASTER IN CHANCERY OF THE CIRCUIT COURT OF COOK COUNTY, 1034 OTIS BUILDING, CHICAGO, ILLINOIS.

WHAT'S DOING IN SCOUTING

Sat., Oct. 1—1:00 p. m. Scouts attend Northwestern-Missouri football game.

Thursday, Oct. 6—7:30 p. m. Niles District Patrol Leaders Training Course. Sharpe's Corners School.

Fri., Oct. 7—7:30 p. m. Palatine Board of Review, Troop 9 Committee meeting.

Sat. and Sun., Oct. 8 and 9—Northwest Suburban Council Rally, Evanston Boy Scout Camp at Deer Grove.

Scout Groups Pledge Support to National Ten Year Program

Several meetings of groups responsible for administration of the Boy Scout program throughout the Northwest Area have been held to plan for operating the Ten Year Plan of the National Council in the local area. Among those are: The executive board of the Northwest Suburban Council, the troop organization committee and commission-ers staff, the Des Plaines district committee and the Park Ridge scoutmasters. Each group was enthusiastic about the plan and pledged their support and cooperation.

The program, adopted at the last meeting of the National Council provides that one out of every four men that become of voting age each year shall be four-year scouting trained men. National leaders have endorsed it as the most constructive move of the area from the standpoint of the needs of the Nation at the present time. Metropolitan newspapers have carried many editorials praising the citizenship aspects of the plan. That a great national organization already engaged in a commendable task of training boys for citizenship and men of good character should undertake such a huge endeavor at this time, has brought commendation from all sources.

Mr. Thomas M. Whitson, president of the local scout council, is first of local leaders to comment upon the plan. "The Boy Scout organization," Mr. Whitson said, "is an international movement or institution for character building through organized play. Outdoor life, pioneering, nature study, handicraft, training and physical development promote an appreciation, both of our historical background and the present opportunities.

"Neither teaching nor preaching," but stimulating personal effort by practice and example, leadership and proficiency are cultivated. The "good turns" must result in consideration of the right of others. An appreciation of the past and present functions and operation of government will raise the standard of citizenship within the next decade."

Plan Outdoor Rally for Scouts At Deer Grove

Plans that contain such interesting words as treasure hunt, movies, camping, handicraft, mapping, cooking and totem poles are rapidly being completed under the supervision of Field Commissioner E. J. Anderson for the fourth annual fall rally of Northwest Scouts, October 8 and 9, and the Evanston Boy Scout camp at Deer Grove has been selected as the place. The scouts will probably begin to arrive at the camp site about nine o'clock Saturday morning, and it will be early Sunday afternoon before the final groups leave. Provision will be made for scouts of Catholic faith to attend services in Palatine, Sunday morning. Protestant services will be held at the camp.

With suitable weather a large

AVIATION SHORTS

"SPEED" WESTPHAL

Do you remember, not so many years back, when an aeroplane flying over town, would cause man, woman and child to make a mad rush for the back yard? Now days, nothing short of a Ford tri-motor plane trying to balance itself on a clothesline, would make a housewife forget to turn the pork chops over. Well back in those by-gone days, you could walk into Murphy's coffee shop on Dempster road, and bump elbows with such flyers as "Ed" Heath, "Matty" Laird, Fred Sunny, Harry Smith, "Freddie" Lund and many others, who have since placed their hands in aviation's spot light, or died while carrying out some experiment to better aviation. Although we regret seeing these old timers pass on, we owe them a real debt of gratitude, and while some say these men were foolish and careless, they are the real heroes of our modern day aviation.

Fly New York-Chicago, \$1.00
Recently, a Mr. George Baily of New York, went out to that city's municipal airport, and for one dollar, purchased a ticket, calling for a ten minute sight-seeing trip. Leaving his wife and child in their car, he went aloft. After being in the air for some time, he noticed the city fading gradually out of sight, turning to another passenger, he said, "Great ride for one dollar, huh?" The second passenger, rather surprised came back with "What do ya mean one buck, this trip to Chicago costs forty smackers any day in the week." Well, you can just imagine Mr. Baily's embarrassment to find himself in the wrong plane, however, he was returned at the airline's expense, as they had made the mistake, which, by the way, is the only one on record.

Arrests for violation of the Illinois motor vehicle law, which provides for license plates being kept clean from grease and dirt, will be made only after the offending motorist has been warned and refused to cooperate with the advice of the police, according to information recently given out by Walter L. Moody, superintendent of state police.

turnout of scouts is anticipated. There will be sleeping facilities for about one hundred inside the buildings, but a great many of the scouts will bring their own equipment and camp out. Each troop will bring and prepare its own food over open fires. There will be expert instructors for those who have had little or no previous camping experience.

In contrast with the annual spring rally which consists largely of competitive events, this will be mainly a general evening camp of all the troops in the council for the purpose of exchanging ideas and methods of carrying on the outdoor program of scouting.

The camp is located on the Northwest edge of Deer Grove forest preserve, and although it is not difficult to locate all roads leading to the site will be plainly marked. Parents of the scouts and friends of scouting are urged to visit the rally sometime during the two days. Those that have attended previous events of this kind predict they will be well repaid for their trip.

Scouts to Attend Northwestern Game

Fortunate are Boy Scouts of the Northwest Suburban Council and all Chicagoland, for they are to be the guests of Northwestern University at the Missouri-Northwestern football game next Saturday afternoon. This is an annual treat for the scouts.

Instructions issued from the council headquarters request all scouts and leaders that have uniforms to wear them. If the uniform is not complete it should not be worn on this occasion, but "extras" instead. Both scouts and leaders will be required to show their membership cards at the gate. Permits for non-member drivers will be issued by Scout Executive Nimtz.

The scouts are to be at Gate No. 1 of Dwyer Stadium at 1:00 p. m. All groups must be under adult leadership.

SPORTS

GRID TEAM LOSES TO ARLINGTON 32-7

Brilliant Rally Brings Palatine Touchdown in Final Quarter

Despite a 32-7 defeat at the hands of the fast stepping Cardinals from Arlington, Palatine's Pirates gave indications a developing strength by smashing through the Heights defense for a touchdown to avert a whitewash in last Friday's game.

Arlington won the game on their fast and shifty open field running which netted two touchdowns on return of punts and one on an intercepted pass. It was Hauff, Arlington quarterback, who ran back two punts for touchdowns on 40 yard dashes through the entire Palatine team in the second and third periods. Brodman snared a Palatine pass and raced 35 yards for the last Arlington touchdown in the last quarter.

Aside from the first quarter when Arlington registered four of their six first downs and two touchdowns, Palatine held the visitors well in hand on plays from scrimmage. Koelling led Arlington through their first two touchdowns with a line smashing attack which netted at least three yards a try.

Palatine gained a total of but eight yards in the entire first half but came back strong in the final period with DePue's passes to Philbin and Thompson's drives into the line paving the way for the first pirate score of the season.

Following the last Arlington touchdown the visitors kicked off to Reuse on the Palatine 35 yard line. From this point a thirty yard forward pass by DePue to Philbin started the Pirates on their march to the Heights goal. Another pass to Philbin was good for twelve yards and then quarterback Reuse called for Thompson to batter the line and the big fullback responded with enough yardage on seven plays to cross the goal. The extra point was also garnered by Thompson on a line plunge.

The play of the Palatine team showed great improvement over the previous week but still left much to be desired. Hahnfeldt's punting was superior to that of the Arlington kickers but this advantage was nullified by the fact that the Palatine team could not stop the opposing backs from returning the kicks for big gains.

Coach Mergel has another full week to work on his inexperienced players and attempt to inject more drive into his linemen and iron out defects in backfield play before Bensenville is encountered here next Friday. Last season Bensenville was the only team defeated by the Pirate gridgers and they hope to turn the trick again this year.

Total yardage of punts—Palatine, 275; Arlington, 225.
Average length of punts—Palatine, 30.5; Arlington, 28.

RED WINGS WIN FINAL GAME IN GREAT SEASON

Bringing to a close their most successful season, the Red Wings won their final game from Des Plaines by the score of 10 to 4.

Allowing the opposition only 8 hits "Peanuts" Meyer had only one bad inning in which he was scored on, and outside of which he never was in trouble. It looked as if the game was going to be comparatively easy for the Red Wings.

They started scoring in the 1st when Dobbins was safe on an error, took 2nd on a passed ball, and scored on a double by Brodman, and then kept right on scoring in the 2nd when 4 runs were put across the plate on a hit by Schulerberg, a walk to "Peanuts," a hit by Dobbins, Brodman safe on an error and a hit by young Schaefer. In the 4th the Red Wings scored 1 more on a double by young Schaefer and a hit by "Riggs" Swanson.

Des Plaines was held in check by "Peanuts" the first four innings, but in the 5th they got on to "Peanuts" momentarily when they scored 3 runs on 3 hits, a walk, and an error, to make the score 6 to 3 in favor of the Red Wings, and putting Des Plaines back in the ball game. Both teams were held scoreless in the next 3 innings and it began to look as if the game was going to be a pitchers' battle, but in the 8th the Red Wings scored 4 runs on 5 hits, a walk and 3 stolen bases and put the game on ice.

Young Schaefer, with a double and 2 singles and Riggs Swanson with 3 singles in 5 times to bat led in the hitting honors.

With the final cry of "play ball" and the crack of the bat against the horseshoe still ringing in their ears, the Red Wings can now start to put away their uniforms and other paraphernalia and await another season, but before doing so the Red Wings want to thank all the fans and loyal supporters who have come out every Sunday and by their wonderful attendance all through the season have made it possible for the Red Wings to have the most successful season they have ever had.

And after all it is the fans themselves who, by coming out every Sunday have made this season the success it has been, so it is with a deep gratitude that the Red Wings thank all the fans for their patronage and hope that next season they will be with them again and that they will try ever so hard to again play teams and games they will enjoy to see every Sunday.

And now it is fit and proper to give the fans a brief resume of the personalities behind the Red Wings, who, (though they haven't been on the playing field) have done a great deal in bringing success to this year's team.

At the start of the season the Red Wings were in a quandary as to who was going to manage the team, for several of the old time players had refused for some reason or other to manage the team. Facing a situation like this the Red Wings ran into a streak of luck when they were given a tip to ask Mr. Geo. Glow to manage them. Asked whether or not he would like to manage a team, Mr. Glow was rather

er dubious about taking a chance or not, for knowing what a thankless job being a manager is, he at last was persuaded to take the job. All though a newcomer to all of the boys on the team, Mr. Glow soon showed the boys he knew what the game was all about, and within a short time gained the admiration and respect of the boys and had them ever out in front fighting for him to win every game and showed what good coaching and the right man can do to make an ordinary team into a winning team.

Next in line we come to another thankless job in which the Red Wings were lucky to be able to get a man like Mr. George Schaefer to take care of. Everyone knows what a hard job umpiring is, but everyone also knows what an umpire Mr. Schaefer is, and before the season was more than a month old, visiting teams when they learned Mr. Schaefer was the umpire, knew that they had nothing to fear or to kick about as far as balls and strikes or plays on the bases were concerned. All teams who have played against the Red Wings the past season have left with the same statement, "We have never received a squarer deal in umpiring as that rendered by Mr. Schaefer." So the Red Wings take great pride in being able to have had Mr. Schaefer with them. "And though we probably haven't said so before, 'George,' we hope you are with us again next year, and we thank you for your advice and encouragement during the season, we appreciated it very much."

No doubt the fans would like to know a little about the players whom they have watched through the season. Ben Pitzner took care of right field in great style all season, and was lead off man in the batting order, and either got a hit, or got hit, just to get on base. Paul Tossman played at different positions, but was used mostly in the outfield where he made several great running catches on different occasions.

Del Dobbins was at shortstop, played a bang-up game all year, and his hitting broke up more than one game in favor of the Red Wings.

Ray Willert out in left field, where his natural speed and great throwing arm kept many an enemy glued to the bases after a ball had been hit out to him.

"Riggs" Swanson ever dependable, a ball hawk, and a good hitter, took care of center field, and at 2nd base was Frankie Brodman, with his great fielding, nonchalant unassuming manner, a timely hitter who got the hits when they counted most.

On 3rd base was Capt. Mart Benjie, who, with his experience and his talkative manner helped to steady down either the pitcher or the infielders when the going started too tough.

1st base was taken care of by "Shammy" Schulerberg, a good hitter and who with his long reach and great fielding made an ideal 1st base man.

The battery this year was composed of 2 new players, as it was their first year with the Red Wings. "Peanuts" Meyer pitching his first year of ball went great guns all season and showed he had every-

Northwest Conference Meeting at Palatine

The superintendents and coaches of the Northwest Conference will meet at Palatine next Wednesday evening with a supper at 6:30 o'clock. The only matters of special importance will be the election of officers. Mr. Baker, former principal at Franklin Park, who presided as secretary of the conference organization, is now teaching in Chicago.

Arlington Bruins Win Final Double Header

The Bruins in the first game, defeated Schaumburg by a score of 8-3. Lefty Krone pitched good ball, allowing 5 hits and 13 strike outs. Wonderful support was given by Lefty's teammates.

The Bruins hammered out 14 hits off the pitching of Grande. A fast double play was made by the Bruins in the 7th inning when Grande hit to Jerve, Jerve to Frank to Kehe. This was the Bruins' 9th double play of the season.

In the second game the Bruins defeated Elk Grove by a score of 20-7. The Bruins outclassed Elk Grove in hitting and fielding. Gieske had 17 strikeouts, what a pitcher with a good receiver like Jock behind the plate. These two boys sure work together.

This made it eight straight games for the Bruins, ending the season. Games won, 22; games lost, 4.

This was a great season for the Bruins and Manager Duenn, Jr., lookout for the 1933 baseball season, for the Bruins, have all young players and expect to get places.

The lineup for the season was as follows: Brodman, 1st; J. Kehe, ss.; Wolf, 3b; R. Kehe, 1b.; F. Podge, 2b; Schroeder, rf.; Hienricks, cf.; Jock, c.; Gieske, p.; Merven, p.; Root Beer, p.

thing a good pitcher should have, a fast ball, a good curve ball that broke sharp, good control, cool in the pinches and most of all confidence in himself, coupled with his good hitting, gave the Red Wings one of the things they needed most this year and that was a good pitcher.

Behind the plate was "Rox" Bolte, a nervy catcher, a good arm, a good sense of how to work his pitcher, a sure fielder and batting clean-up in the batting order, he was an ideal teammate for "Peanuts," and to show that they both worked together is brought out by the fact that the Red Wings won 14 games and lost only 4, which is good going in any man's league.

Last, but not least is young Geo. Schaefer, who joined us in the latter part of the season and was used as an outfielder, an infielder, and also as a pitcher defeating the Chicago Monarchs two weeks ago, and with his great hitting is destined to go far in baseball.

"And now, fans, that you have met the personnel of the Red Wings, we again want to thank you for your support during this year and we hope to see you all again in 1933. So long."

Leyden Defeat Dundee Eleven

By KENNETH CRYSLER

The Leyden Eagles were the cause of an unexpected upset when they dished out a 12 to 6 drubbing to the Dundee Eleven here Saturday.

The general opinion before the game was that the Eagles would be lucky if they scored, but apparently they had ideas of their own by the way they started to pound their way down the field from the first whistle.

The first half of the game was scoreless. Although Dundee threatened in the opening quarter, their drive fell short by 20 yards when Burdill intercepted a pass. In the second Leyden had the ball on the 3 yard line but was penalized because of an incomplete pass at the end zone.

At the opening of the second half Atherton recovered the kickoff and the ball was advanced to the twenty yard line by a series of line smashes in which Camp carried the ball most of the time. To score the touchdown Mike Asta took the ball on an off tackle smash and carried it for 20 yards. The try for extra point failed.

Dundee chose to receive but Atherton again recovered the kickoff which Leyden proceeded to turn into a touchdown in the first minutes of the last quarter. Burdill took the ball off tackle 5 yards from the goal and scored; the try for extra point again failed.

Dundee scored a touchdown in the last few minutes of play due to the return of a punt by Anabali and several penalties which put them in a position to score.

Leyden's scoring ability is due to a line that knows its business and works together as only well trained and fighting football men can.

The lights lost to Dundee by the score of 19-0. Two touchdowns were scored in the first 5 minutes of play and were made possible by a type of play with which the Leyden lights could not at first cope. They made their last touchdown with about two minutes to go when they intercepted a pass and turned it into a touchdown.

The next game will be this Friday, September 30, when the Leydenites journey to Barrington for the first tilt with a conference team.

AMERICAN FLOW BOYS APPRECIATION

J. Karnatz and W. Buchholz, sponsors and the orchestra wish to extend their sincere thanks to all attending the Old Time dance, Saturday, Sept. 24.

Door prizes were won by Art Haemper, Palatine; Mrs. Eckdahl, 3712 Oleander avenue, Chicago; and Elsie Racklin of Northbrook. Our motto is to please our patrons. Any suggestions would be greatly appreciated by writing W. Buchholz, 959 Lee street, Des Plaines. Watch this paper for our dance announcement.

"No bother at all—"

This wise young woman doesn't have to move a step from her cookery when the telephone rings or when she wants to make a call. She has an extension telephone in her kitchen and it pays for its small cost in the time and steps it saves her. You'll find it will pay you to have this handy "extra" telephone in your home, too. It can now be added at less cost than heretofore. Call our Business Office now!

Live Market Fowls

Only Farm Products Higher

Today than before the War

The moral is conclusive. POULTRY is the best bet to-day for the farmer or live stock grower. However, to get the best prices for either poultry or eggs, they must be produced when demand is good and market not flooded. Nearly every farm, at this time of the year has their brooder house and equipment standing idle, so why not get them in order and brood a bunch of fall chicks that will make heavy early broilers and Pullets for summer and fall layers, when few are producing eggs.

Baby Chicks

Hatches

Every Thursday

Brooder Stoves

Battery Brooders

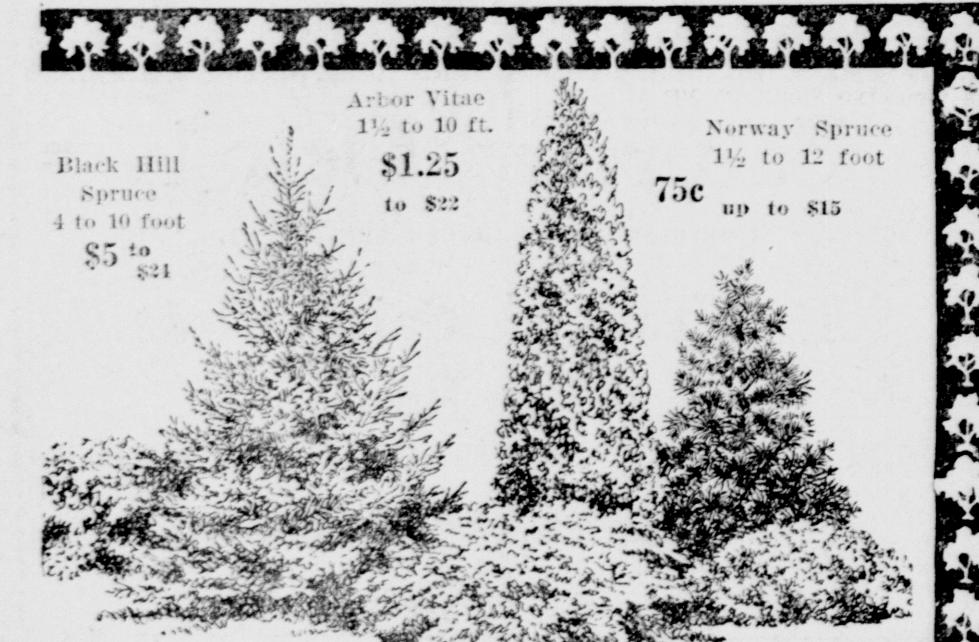

Supplies

SUNNY CROFT HATCHERY has always stood for quality. This fall, besides our regular rigid culling, we are blood-testing. There will be no added cost for this service — just better chicks at fair prices. Why not come over to the hatchery? Possibly we can help you plan a program, along with your general farming that will mean a greater income.
